Item 1.01 Entry into a Material Definitive Agreement.

On August 3, 2016, Dataram Corporation (the “Company”) entered into separate securities purchase agreements (the “Purchase Agreement”) with accredited investors (the “Investors”) relating to the issuance and sale of up to \$503,000 of shares of the Company’s newly designated 0% Series D Convertible Preferred Stock (the “Preferred Shares”) which are convertible into shares of the Company’s common stock, par value \$0.001 per share (the “Common Stock” and such sale and issuance, the “Private Placement”). The Preferred Shares are governed by a Certificate of Designations, Preferences and Rights of the 0% Series D Convertible Preferred Stock (the “Certificate of Designations”) as described herein. Each Preferred Share was sold at a per share purchase price of \$136.00 and converts into 100 shares of Common Stock, subject to adjustment for dividends and stock splits. On August 5, 2016, the Company closed the Private Placement and sold 3,699 Preferred Shares convertible into an aggregate of 369,900 shares of Common Stock with gross proceeds to the Company of approximately \$503,000.

The Preferred Shares are convertible into shares of Common Stock (the “Conversion Shares”) based on a conversion calculation equal to the stated value of the Preferred Share, plus all accrued and unpaid dividends, if any, on such Preferred Share, as of such date of determination, divided by the conversion price. The stated value of each Preferred Share is \$136.00 and the initial conversion price is \$1.36 per share, each subject to adjustment for stock splits, stock dividends, recapitalizations, combinations, subdivisions or other similar events. The Company is prohibited from effecting a conversion of the Preferred Shares to the extent that, as a result of such conversion, such Investor would beneficially own more than 4.99% of the number of shares of Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock upon conversion of the Preferred Shares, which beneficial ownership limitation may be increased by the holder up to, but not exceeding, 9.99% (the “Beneficial Ownership Limitation”). Each holder is entitled to vote on all matters submitted to stockholders of the Company, and shall have the number of votes equal to the number of shares of Common Stock issuable upon conversion of such holder’s Preferred Shares based on a conversion price of \$1.36, but not in excess of the Beneficial Ownership Limitation. The Preferred Shares bear no interest. Upon the issuance of the Special Dividend (as defined below), the conversion price used for calculating voting power will be \$2.72 per share.

Except for certain issuances, for a period beginning on the closing date of the Private Placement and ending six months thereafter (such period, the “Price Protection Period”), without the consent of a majority of holders of the Preferred Shares and Conversion Shares then outstanding, the Company may not issue any shares of Common Stock or securities convertible into Common Stock at a price per share or conversion price or exercise price per share that is less than \$1.36 for capital raising purposes.

Additionally, if a Qualified Transaction (as defined in the Certificate of Designations) is consummated within One Hundred and Twenty (120) days (the “Event Period”) of the closing of the Private Placement (such date, the “Dividend Trigger Date”) the holders of the Preferred Shares shall be entitled to receive a one-time special dividend equal to one additional Preferred Share for every Preferred Share held on the Dividend Trigger Date (the “Special Dividend”). If a Qualified Transaction is not consummated during the Event Period, the Board of Directors of the Company shall have the authority, in its sole discretion, to declare the Special Dividend within ten (10) days upon expiration of the Event Period.

The Company has also granted each Investor, pursuant to the terms of the Subscription Agreement, a right of participation in the Company’s future financings until such time as the Company closes a financing in which it receives gross proceeds of at least \$1,000,000.

The offering is being made pursuant to an exemption from registration under Section 4(a)(2) of the Securities Act of 1933, as amended (the “Securities Act”). The Company has agreed to use its reasonable best efforts to file a registration statement to register the shares of Common Stock issuable upon conversion of the Preferred Shares within five (5) days of closing of the previously disclosed pending acquisition of U.S. Gold Corp.

The foregoing descriptions of the Purchase Agreement and the Preferred Shares are not complete and are qualified in their entireties by reference to the full text of the Form of Purchase Agreement and the Certificate of Designations, copies of which are filed as Exhibit 10.1 and Exhibit 4.1, respectively, to this report and are incorporated by reference herein.

**CERTIFICATE OF DESIGNATION OF RIGHTS, POWERS, PREFERENCES, PRIVILEGES AND
RESTRICTIONS OF THE
0% SERIES D CONVERTIBLE PREFERRED STOCK OF
DATARAM CORPORATION**

I, David A. Moylan, hereby certify that I am the Chief Executive Officer of Dataram Corporation (the “**Company**”), a corporation organized and existing under the Nevada Revised Statutes (the “**NRS**”), and further do hereby certify:

That, pursuant to the authority expressly conferred upon the Board of Directors of the Company (the “**Board**”) by the Company’s Articles of Incorporation, as amended (the “**Articles of Incorporation**”), the Board on July 27, 2016 adopted the following resolutions creating a series of shares of Preferred Stock designated as 0% Series D Convertible Preferred Stock, none of which shares has been issued:

RESOLVED, that the Board designates the 0% Series D Convertible Preferred Stock and the number of shares constituting such series, and fixes the rights, powers, preferences, privileges and restrictions relating to such series in addition to any set forth in the Articles of Incorporation as follows:

TERMS OF SERIES D CONVERTIBLE PREFERRED STOCK

1. Designation and Number of Shares. There shall hereby be created and established by this Certificate of Designation of Rights, Powers, Preferences, Privileges and Restrictions (this “**Certificate of Designation**”) a series of preferred stock of the Company designated as “0% Series D Convertible Preferred Stock” (the “**Preferred Shares**”). The authorized number of Preferred Shares shall be Seven Thousand Four Hundred and Two (7,402) shares. Each Preferred Share shall have \$0.001 par value. Capitalized terms not defined herein shall have the meaning as set forth in Section 23 below or in the Purchase Agreement.

2. Ranking. Except to the extent that the holders of at least a majority of the outstanding Preferred Shares (the “**Required Holders**”) expressly consent to the creation of Parity Stock (as defined below) or Senior Preferred Stock (as defined below) in accordance with Section 12, all shares of capital stock of the Company other than the Company’s Series B Convertible Preferred Stock and Series C Convertible Preferred Stock (when and if issued) shall be junior in rank to all Preferred Shares with respect to the preferences as to dividends, distributions and payments upon the liquidation, dissolution and winding-up of the Company (such junior stock is referred to herein collectively as “**Junior Stock**”). The rights of all such shares of capital stock of the Company shall be subject to the rights, powers, preferences and privileges of the Preferred Shares. Without limiting any other provision of this Certificate of Designation, without the prior express consent of the Required Holders, voting separate as a single class, the Company shall not hereafter authorize or issue any additional or other shares of capital stock that is (i) of senior rank to the Preferred Shares in respect of the preferences as to dividends, distributions and payments upon the liquidation, dissolution and winding-up of the Company (collectively, the “**Senior Preferred Stock**”), (ii) of pari passu rank to the Preferred Shares in respect of the preferences as to dividends, distributions and payments upon the liquidation, dissolution and winding-up of the Company (collectively, the “**Parity Stock**”) or (iii) any Junior Stock having a maturity date (or any other date requiring redemption or repayment of such shares of Junior Stock) that is prior to the date on which any Preferred Shares remain outstanding. In the event of the merger or consolidation of the Company with or into another corporation, the Preferred Shares shall maintain their relative rights, powers, designations, privileges and preferences provided for herein and no such merger or consolidation shall result inconsistent therewith.

3 . Dividends. In addition to Sections 5(a) and 11 below, from and after the first date of issuance of any Preferred Shares (the “**Initial Issuance Date**”), each holder of a Preferred Share (each, a “**Holder**” and, collectively, the “**Holder**s”) shall be entitled to receive dividends (“**Dividends**”) when and as declared by the Board, from time to time, in its sole discretion, which Dividends shall be paid by the Company out of funds legally available therefor, payable, subject to the conditions and other terms hereof, in cash on the Stated Value of such Preferred Share. In addition to the foregoing, the Preferred Shares shall participate on an “as converted” basis, with all Dividends declared on the Common Stock (as defined below) of the Company as provided herein.

4 . Conversion. Each Preferred Share shall be convertible into validly issued, fully paid and non-assessable shares of Common Stock on the terms and conditions set forth in this Section 4.

(a) Holder’s Conversion Right. Subject to the provisions of Section 4(e) and 4(f), at any time or times on or after the Initial Issuance Date, each Holder shall be entitled to convert any whole number of Preferred Shares into validly issued, fully paid and non-assessable shares of Common Stock in accordance with Section 4(c) at the Conversion Rate (as defined below).

(b) Conversion Rate. The number of validly issued, fully paid and non-assessable shares of Common Stock issuable upon conversion of each Preferred Share pursuant to Section 4(a) shall be determined according to the following formula (the “**Conversion Rate**”):

$$\frac{\text{Base Amount}}{\text{Conversion Price}}$$

No fractional shares of Common Stock are to be issued upon the conversion of any Preferred Shares. If the issuance would result in the issuance of a fraction of a share of Common Stock, the Company shall round such fraction of a share of Common Stock up to the nearest whole share.

(c) Mechanics of Conversion. The conversion of each Preferred Share shall be conducted in the following manner:

(i) Holder’s Conversion. To convert a Preferred Share into validly issued, fully paid and non-assessable shares of Common Stock on any date (a “**Conversion Date**”), a Holder shall deliver (whether via facsimile or otherwise), for receipt on or prior to 11:59 p.m., New York time, on such date, a copy of an executed notice of conversion of the share(s) of Preferred Shares subject to such conversion in the form attached hereto as **Exhibit I** (the “**Conversion Notice**”) to the Company. If required by Section 4(c) (vi), within five (5) Trading Days following a conversion of any such Preferred Shares as aforesaid, such Holder shall surrender to a nationally recognized overnight delivery service for delivery to the Company the original certificates representing the share(s) of Preferred Shares (the “**Preferred Share Certificates**”) so converted as aforesaid.

(ii) Company's Response. On or before the first (1st) Trading Day following the date of receipt of a Conversion Notice, the Company shall transmit by facsimile an acknowledgment of confirmation, in the form attached hereto as Exhibit II, of receipt of such Conversion Notice to such Holder and the transfer agent for the Company's Common Stock (the "**Transfer Agent**"), which confirmation shall constitute an instruction to the Transfer Agent to process such Conversion Notice in accordance with the terms herein. On or before the second (2nd) Trading Day following the date of receipt by the Company of such Conversion Notice, the Company shall (1) provided that the Transfer Agent is participating in DTC Fast Automated Securities Transfer Program, credit such aggregate number of shares of Common Stock to which such Holder shall be entitled to such Holder's or its designee's balance account with DTC through its Deposit and Withdrawal at Custodian system, or (2) if the Transfer Agent is not participating in the DTC Fast Automated Securities Transfer Program, issue and deliver (via reputable overnight courier) to the address as specified in such Conversion Notice, a certificate, registered in the name of such Holder or its designee, for the number of shares of Common Stock to which such Holder shall be entitled. If the number of Preferred Shares represented by the Preferred Share Certificate(s) submitted for conversion pursuant to Section 4(c)(vi) is greater than the number of Preferred Shares being converted, then the Company shall, if requested by such Holder, as soon as practicable and in no event later than three (3) Trading Days after receipt of the Preferred Share Certificate(s) and at its own expense, issue and deliver to such Holder (or its designee) a new Preferred Share Certificate representing the number of Preferred Shares not converted.

(iii) Record Holder. The Person or Persons entitled to receive the shares of Common Stock issuable upon a conversion of Preferred Shares shall be treated for all purposes as the record holder or holders of such shares of Common Stock on the Conversion Date.

(iv) Company's Failure to Timely Convert. If the Company shall fail, for any reason or for no reason, except in the case that the relevant Preferred Share Certificate is required to be and shall not have been timely received by the Transfer Agent, to issue to a Holder within three (3) Trading Days after the Company's receipt of a Conversion Notice (whether via facsimile or otherwise) (the "**Share Delivery Deadline**"), a certificate for the number of shares of Common Stock to which such Holder is entitled and register such shares of Common Stock on the Company's share register or to credit such Holder's or its designee's balance account with DTC for such number of shares of Common Stock to which such Holder is entitled upon such Holder's conversion of any

Preferred Shares (as the case may be) (a “**Conversion Failure**”), then, in addition to all other remedies available to such Holder, such Holder, upon written notice to the Company, (x) may void its Conversion Notice with respect to, and retain or have returned (as the case may be) any Preferred Shares that have not been converted pursuant to such Holder’s Conversion Notice, provided that the voiding of a Conversion Notice shall not affect the Company’s obligations to make any payments that have accrued prior to the date of such notice pursuant to the terms of this Certificate of Designation or otherwise and (y) the Company shall pay in cash to such Holder on each day after such third (3rd) Trading Day that the issuance of such shares of Common Stock is not timely effected an amount equal to 1.0 % of the product of (A) the aggregate number of shares of Common Stock not issued to such Holder on a timely basis and to which the Holder is entitled and (B) the Closing Sale Price of the Common Stock on the Trading Day immediately preceding the last possible date on which the Company could have issued such shares of Common Stock to the Holder without violating Section 4(c). In addition to the foregoing, if within three (3) Trading Days after the Company’s receipt of a Conversion Notice (whether via facsimile or otherwise), the Company shall fail to issue and deliver a certificate to such Holder and register such shares of Common Stock on the Company’s share register or credit such Holder’s or its designee’s balance account with DTC for the number of shares of Common Stock to which such Holder is entitled upon such Holder’s conversion hereunder (as the case may be), and, if on or after such third (3rd) Trading Day, such Holder (or any other Person in respect, or on behalf, of such Holder) purchases (in an open market transaction or otherwise) shares of Common Stock to deliver in satisfaction of a sale by such Holder of all or any portion of the number of shares of Common Stock, or a sale of a number of shares of Common Stock equal to all or any portion of the number of shares of Common Stock, issuable upon such conversion that such Holder so anticipated receiving from the Company, then, in addition to all other remedies available to such Holder, the Company shall, within three (3) Business Days after such Holder’s request and in such Holder’s discretion, either (i) pay cash to such Holder in an amount equal to such Holder’s total purchase price (including brokerage commissions and other out-of-pocket expenses, if any) for the shares of Common Stock so purchased (including, without limitation, by any other Person in respect, or on behalf, of such Holder) (the “**Buy-In Price**”), at which point the Company’s obligation to so issue and deliver such certificate or credit such Holder’s balance account with DTC for the number of shares of Common Stock to which such Holder is entitled upon such Holder’s conversion hereunder (as the case may be) (and to issue such shares of Common Stock) shall terminate, or (ii) promptly honor its obligation to so issue and deliver to such Holder a certificate or certificates representing such shares of Common Stock or credit such Holder’s balance account with DTC for the number of shares of Common Stock to which such Holder is entitled upon such Holder’s conversion hereunder (as the case may be) and pay cash to such Holder in an amount equal to the excess (if any) of the Buy-In Price over the product of (A) such number of shares of Common Stock multiplied by (B) the lowest Closing Sale Price of the Common Stock on any Trading Day during the period commencing on the date of the applicable Conversion Notice and ending on the date of such issuance and payment under this clause (ii).

(v) Pro Rata Conversion; Disputes. In the event the Company receives a Conversion Notice from more than one Holder for the same Conversion Date and the Company can convert some, but not all, of such Preferred Shares submitted for conversion, the Company shall convert from each Holder electing to have Preferred Shares converted on such date a pro rata amount of such Holder's Preferred Shares submitted for conversion on such date based on the number of Preferred Shares submitted for conversion on such date by such Holder relative to the aggregate number of Preferred Shares submitted for conversion on such date. In the event of a dispute as to the number of shares of Common Stock issuable to a Holder in connection with a conversion of Preferred Shares, the Company shall issue to such Holder the number of shares of Common Stock not in dispute and resolve such dispute in accordance with Section 22.

(vi) Book-Entry. Notwithstanding anything to the contrary set forth in this Section 4, upon conversion of any Preferred Shares in accordance with the terms hereof, no Holder thereof shall be required to physically surrender the certificate representing the Preferred Shares to the Company following conversion thereof unless (A) the full or remaining number of Preferred Shares represented by the certificate are being converted (in which event such certificate(s) shall be delivered to the Company as contemplated by this Section 4(c)(vi)) or (B) such Holder has provided the Company with prior written notice (which notice may be included in a Conversion Notice) requesting reissuance of Preferred Shares upon physical surrender of any Preferred Shares. Each Holder and the Company shall maintain records showing the number of Preferred Shares so converted by such Holder and the dates of such conversions or shall use such other method, reasonably satisfactory to such Holder and the Company, so as not to require physical surrender of the certificate representing the Preferred Shares upon each such conversion. In the event of any dispute or discrepancy, such records of the Company establishing the number of Preferred Shares to which the record holder is entitled shall be controlling and determinative in the absence of manifest error. A Holder and any transferee or assignee, by acceptance of a certificate, acknowledge and agree that, by reason of the provisions of this paragraph, following conversion of any Preferred Shares, the number of Preferred Shares represented by such certificate may be less than the number of Preferred Shares stated on the face thereof. Each certificate for Preferred Shares shall bear the following legend:

ANY TRANSFEREE OR ASSIGNEE OF THIS CERTIFICATE SHOULD CAREFULLY REVIEW THE TERMS OF THE CORPORATION'S CERTIFICATE OF DESIGNATION RELATING TO THE SHARES OF SERIES D PREFERRED STOCK THAT MAY BE REPRESENTED BY THIS CERTIFICATE, INCLUDING SECTION 4(c)(vi) THEREOF. THE NUMBER OF SHARES OF SERIES D PREFERRED STOCK REPRESENTED BY THIS CERTIFICATE MAY BE LESS THAN THE NUMBER OF SHARES OF SERIES D PREFERRED STOCK STATED ON THE FACE HEREOF PURSUANT TO SECTION 4(c)(vi) OF THE CERTIFICATE OF DESIGNATION RELATING TO THE SHARES OF SERIES D PREFERRED STOCK REPRESENTED BY THIS CERTIFICATE.

(d) Taxes. The Company shall pay any and all documentary, stamp, transfer (but only in respect of the registered holder thereof), issuance and other similar taxes that may be payable with respect to the issuance and delivery of shares of Common Stock upon the conversion of Preferred Shares.

(e) Limitation on Beneficial Ownership. Notwithstanding anything to the contrary set forth in this Certificate of Designation, at no time may all or a portion of the Series D Preferred Stock be converted if the number of shares of Common Stock to be issued pursuant to such conversion would exceed, when aggregated with all other shares of Common Stock owned by the Holder at such time, the number of shares of Common Stock that would result in the Holder beneficially owning (as determined in accordance with Section 13(d) of the 1934 Act and the rules thereunder) more than 4.99% of all of the Common Stock outstanding at such time (the “**4.99% Beneficial Ownership Limitation**”); provided, however, that, upon the Holder providing the Corporation with sixty-one (61) days’ advance notice (the “**4.99% Waiver Notice**”) that the Holder would like to waive this Section 4(e) with regard to any or all shares of Common Stock issuable upon conversion of the Preferred Shares, this Section 4(e) will be of no force or effect with regard to all or a portion of the Series D Preferred Stock referenced in the 4.99% Waiver Notice but shall in no event waive the 9.99% Beneficial Ownership Limitation described below. Notwithstanding anything to the contrary set forth in this Certificate of Designation, at no time may all or a portion of the Preferred Shares be converted if the number of shares of Common Stock to be issued pursuant to such conversion, when aggregated with all other shares of Common Stock owned by the Holder at such time, would result in the Holder beneficially owning (as determined in accordance with Section 13(d) of the 1934 Act and the rules thereunder) in excess of 9.99% of the then-issued and outstanding shares of Common Stock outstanding at such time (the “**9.99% Beneficial Ownership Limitation**” and the lower of the 9.99% Beneficial Ownership Limitation and the 4.99% Beneficial Ownership Limitation then in effect, the “**Maximum Percentage**”). By written notice to the Company, a holder of Preferred Shares may from time to time decrease the Maximum Percentage to any other percentage specified in such notice. For purposes hereof, in determining the number of outstanding shares of Common Stock, the Holder may rely on the number of outstanding shares of Common Stock as reflected in (1) the Company’s most recent Annual Report on Form 10-K, Quarterly Report on Form 10-Q, Current Report on Form 8-K or other public filing with the Securities and Exchange Commission, as the case may be, (2) a more recent public announcement by the Company or (3) any other notice by the Company setting forth the number of shares of Common Stock outstanding. For any reason at any time, upon the written or oral request of a holder of Preferred Shares, the Company shall within three (3) Business Days confirm orally and in writing to such holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of securities of the Company, including the Preferred Shares, by the Holder and its Affiliates since the date as of which such number of outstanding shares of Common Stock was reported, that in any event are convertible or exercisable, as the case may be, into shares of the Company’s Common Stock within 60 days’ of such calculation and that are not subject to a limitation on conversion or exercise analogous to the limitation contained herein. The provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 4(e) to correct this paragraph (or any portion hereof) that may be defective or inconsistent with the intended beneficial ownership limitation herein contained or to make changes or supplements necessary or desirable to properly give effect to such limitation.

(f) Intentionally Omitted.

5. Rights Upon Issuance of Purchase Rights and Other Corporate Events .

(a) Purchase Rights. In addition to any adjustments pursuant to Section 7 below, if at any time the Company grants, issues or sells any Options, Convertible Securities or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any class of Common Stock (the “**Purchase Rights**”), then each Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights that such Holder could have acquired if such Holder had held the number of shares of Common Stock acquirable upon complete conversion of all the Preferred Shares (without taking into account any limitations or restrictions on the convertibility of the Preferred Shares) held by such Holder immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of Common Stock are to be determined for the grant, issue or sale of such Purchase Rights; provided, however, to the extent that such Holder’s right to participate in any such Purchase Right would result in such Holder exceeding the Maximum Percentage, then such Holder shall not be entitled to participate in such Purchase Right to such extent (or beneficial ownership of such shares of Common Stock as a result of such Purchase Right to such extent) and such Purchase Right to such extent shall be held in abeyance for such Holder until such time, if ever, as its right thereto would not result in such Holder exceeding the Maximum Percentage.

(b) Other Corporate Events. In addition to and not in substitution for any other rights hereunder, prior to the consummation of any Fundamental Transaction pursuant to which holders of shares of Common Stock are entitled to receive securities or other assets with respect to or in exchange for shares of Common Stock (a “**Corporate Event**”), the Company shall make appropriate provision to ensure that each Holder will thereafter have the right to receive upon a conversion of all the Preferred Shares held by such Holder (i) in addition to the shares of Common Stock receivable upon such conversion, such securities or other assets to which such Holder would have been entitled with respect to such shares of Common Stock had such shares of Common Stock been held by such Holder upon the consummation of such Corporate Event (without taking into account any limitations or restrictions on the convertibility of the Preferred Shares contained in this Certificate of Designation) or (ii) in lieu of the shares of Common Stock otherwise receivable upon such conversion, such securities or other assets received by the holders of shares of Common Stock in connection with the consummation of such Corporate Event in such amounts as such Holder would have been entitled to receive had the Preferred Shares held by such Holder initially been issued with conversion rights for the form of such consideration (as opposed to shares of Common Stock) at a conversion rate for such consideration commensurate with the Conversion Rate. The provisions of this Section 5(b) shall apply similarly and equally to successive Corporate Events and shall be applied without regard to any limitations on the conversion of the Preferred Shares contained in this Certificate of Designation.

6. Rights Upon Fundamental Transactions.

(a) Assumption. The Company shall not enter into or be party to a Fundamental Transaction unless: (i) the Successor Entity assumes in writing all of the obligations of the Company under this Certificate of Designation and the other Transaction Documents in accordance with the provisions of this Section 6 pursuant to written agreements in form and substance satisfactory to the Required Holders and approved by the Required Holders prior to such Fundamental Transaction, including agreements to deliver to each holder of Preferred Shares in exchange for such Preferred Shares a security of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Certificate of Designation, including, without limitation, having a stated value and dividend rate equal to the stated value and dividend rate of the Preferred Shares held by the Holders and having similar ranking to the Preferred Shares, and reasonably satisfactory to the Required Holders and (ii) the Successor Entity (including its Parent Entity) is a publicly traded corporation whose shares of common stock are quoted on or listed for trading on an Eligible Market. Upon the occurrence of any Fundamental Transaction, the Successor Entity shall succeed to, and be substituted for (so that from and after the date of such Fundamental Transaction, the provisions of this Certificate of Designation and the other Transaction Documents referring to the “Company” shall refer instead to the Successor Entity), and may exercise every right and power of the Company and shall assume all of the obligations of the Company under this Certificate of Designation and the other Transaction Documents with the same effect as if such Successor Entity had been named as the Company herein and therein. In addition to the foregoing, upon consummation of a Fundamental Transaction, the Successor Entity shall deliver to each Holder confirmation that there shall be issued upon conversion of the Preferred Shares at any time after the consummation of such Fundamental Transaction, in lieu of the shares of Common Stock (or other securities, cash, assets or other property (except such items still issuable under Sections 5 and 11, which shall continue to be receivable thereafter)) issuable upon the conversion of the Preferred Shares prior to such Fundamental Transaction, such shares of publicly traded common stock (or their equivalent) of the Successor Entity (including its Parent Entity) that each Holder would have been entitled to receive upon the happening of such Fundamental Transaction had all the Preferred Shares held by each Holder been converted immediately prior to such Fundamental Transaction (without regard to any limitations on the conversion of the Preferred Shares contained in this Certificate of Designation), as adjusted in accordance with the provisions of this Certificate of Designation. The provisions of this Section 6 shall apply similarly and equally to successive Fundamental Transactions and shall be applied without regard to any limitations on the conversion of the Preferred Shares.

7. Rights Upon Issuance of Other Securities and Special Dividends .

(a) Special Dividend. If a Qualified Transaction is consummated within One Hundred and Twenty (120) days (the “**Event Period**”) of the Closing Date (as defined in the Purchase Agreement) (such date, the “**Dividend Trigger Date**”) the holders of the Preferred Shares shall be entitled to receive a one-time special dividend equal to one additional Preferred Share for every Preferred Share held on the Dividend Trigger Date (the “**Special Dividend**”). If a Qualified Transaction is not consummated during the Event Period, the Board of Directors of the Company shall have the authority, in its sole discretion, to declare the Special Dividend within ten (10) days upon expiration of the Event Period.

(b) Adjustment of Conversion Price upon Subdivision or Combination of Common Stock . Without limiting any provision of Sections 5 and 11, if the Company at any time on or after the Purchase Date subdivides (by any stock split, stock dividend, recapitalization or otherwise) one or more classes of its outstanding shares of Common Stock into a greater number of shares, the Conversion Price in effect immediately prior to such subdivision will be proportionately reduced. Without limiting any provision of Sections 5 and 11, if the Company at any time on or after the Purchase Date combines (by combination, reverse stock split or otherwise) one or more classes of its outstanding shares of Common Stock into a smaller number of shares, the Conversion Price in effect immediately prior to such combination will be proportionately increased. Any adjustment pursuant to this Section 7(b) shall become effective immediately after the effective date of such subdivision or combination. If any event requiring an adjustment under this Section 7(b) occurs during the period that a Conversion Price is calculated hereunder, then the calculation of such Conversion Price shall be adjusted appropriately to reflect such event.

(c) Other Events. In the event that the Company (or any Subsidiary) shall take any action to which the provisions hereof are not strictly applicable, or, if applicable, would not operate to protect any Holder from dilution or if any event occurs of the type contemplated by the provisions of this Section 7 but not expressly provided for by such provisions (including, without limitation, the granting of stock appreciation rights, phantom stock rights or other rights with equity features), then the Board shall in good faith determine and implement an appropriate adjustment in the Conversion Price so as to protect the rights of such Holder; provided, however, that no such adjustment pursuant to this Section 7(c) will increase the Conversion Price as otherwise determined pursuant to this Section 7; provided, further, that, if such Holder does not accept such adjustments as appropriately protecting its interests hereunder against such dilution, then the Board and such Holder shall agree, in good faith, upon an independent investment bank of nationally recognized standing to make such appropriate adjustments, whose determination shall be final and binding and whose fees and expenses shall be borne by the Company.

(d) Calculations. All calculations under this Section 7 shall be made by rounding to the nearest one-hundred thousandth of a cent or the nearest 1/100th of a share, as applicable. The number of shares of Common Stock outstanding at any given time shall not include shares owned or held by or for the account of the Company, and the disposition of any such shares, other than a return thereof to the Company's treasury for cancellation, shall be considered an issue or sale of Common Stock.

8. Authorized Shares.

(a) Reservation. The Company shall initially reserve out of its authorized and unissued Common Stock a number of shares of Common Stock equal to 100% of the Conversion Rate with respect to the Base Amount of each Preferred Share as of the Initial Issuance Date (assuming for purposes hereof, that all the Preferred Shares issuable pursuant to the Purchase Agreement have been issued, such Preferred Shares are convertible at the Conversion Price and without taking into account any limitations on the conversion of such Preferred Shares set forth in herein) issuable pursuant to the terms of this Certificate of Designation from the Initial Issuance Date through the second anniversary of the Initial Issuance Date assuming (assuming for purposes hereof, that all the Preferred Shares issuable pursuant to the Purchase Agreement have been issued and without taking into account any limitations on the issuance of securities set forth herein). So long as any of the Preferred Shares are outstanding, the Company shall take all action necessary to reserve and keep available out of its authorized and unissued shares of Common Stock, solely for the purpose of effecting the conversion of the Preferred Shares, as of any given date, 100% of the number of shares of Common Stock as shall from time to time be necessary to effect the conversion of all of the Preferred Shares issued or issuable pursuant to the Purchase Agreement assuming for purposes hereof, that all the Preferred Shares issuable pursuant to the Purchase Agreement have been issued and without taking into account any limitations on the issuance of securities set forth herein), provided that at no time shall the number of shares of Common Stock so available be less than the number of shares required to be reserved by the previous sentence (without regard to any limitations on conversions contained in this Certificate of Designation) (the "**Required Amount**"). The initial number of shares of Common Stock reserved for conversions of the Preferred Shares and each increase in the number of shares so reserved shall be allocated pro rata among the Holders based on the number of Preferred Shares held by each Holder on the Initial Issuance Date or increase in the number of reserved shares (as the case may be) (the "**Authorized Share Allocation**"). In the event a Holder shall sell or otherwise transfer any of such Holder's Preferred Shares, each transferee shall be allocated a pro rata portion of such Holder's Authorized Share Allocation. Any shares of Common Stock reserved and allocated to any Person who ceases to hold any Preferred Shares shall be allocated to the remaining Holders of Preferred Shares, pro rata based on the number of Preferred Shares then held by such Holders.

(b) Insufficient Authorized Shares. If, notwithstanding Section 8(a) and not in limitation thereof, at any time while any of the Preferred Shares remain outstanding, the Company does not have a sufficient number of authorized and unissued shares of Common Stock to satisfy its obligation to have available for issuance upon conversion of the Preferred Shares at least a number of shares of Common Stock equal to the Required Amount (an “**Authorized Share Failure**”), then the Company shall promptly take all action necessary to increase the Company’s authorized shares of Common Stock to an amount sufficient to allow the Company to reserve and have available the Required Amount for all of the Preferred Shares then outstanding. Without limiting the generality of the foregoing sentence, as soon as practicable after the date of the occurrence of an Authorized Share Failure, but in no event later than ninety (90) days after the occurrence of such Authorized Share Failure, the Company shall hold a meeting of its shareholders or conduct a consent solicitation for the approval of an increase in the number of authorized shares of Common Stock. In connection with such meeting or consent solicitation, the Company shall provide each shareholder with a proxy statement or information statement, as relevant, and shall use its commercial best efforts to solicit its shareholders’ approval of such increase in authorized shares of Common Stock and to cause its Board to recommend to the shareholders that they approve such proposal. Nothing contained in this Section 8 shall limit any obligations of the Company under any provision of the Purchase Agreement. In the event that the Company is prohibited from issuing shares of Common Stock upon a conversion of any Preferred Share due to the failure by the Company to have sufficient shares of Common Stock available out of the authorized but unissued shares of Common Stock (such unavailable number of shares of Common Stock, the “**Authorization Failure Shares**”), in lieu of delivering such Authorization Failure Shares to such Holder of such Preferred Shares, the Company shall pay cash in exchange for the cancellation of such Preferred Shares convertible into such Authorized Failure Shares at a price equal to the sum of (i) the product of (x) such number of Authorization Failure Shares and (y) the Closing Sale Price on the Trading Day immediately preceding the date such Holder delivers the applicable Conversion Notice with respect to such Authorization Failure Shares to the Company and (ii) to the extent such Holder purchases (in an open market transaction or otherwise) shares of Common Stock to deliver in satisfaction of a sale by such Holder of Authorization Failure Shares, any brokerage commissions and other out-of-pocket expenses, if any, of such Holder incurred in connection therewith.

9 . Voting Rights. Except as otherwise expressly required by law, each holder of Preferred Shares shall be entitled to vote on all matters submitted to shareholders of the Company and shall be entitled to the number of votes for each Preferred Share owned at the record date for the determination of shareholders entitled to vote on such matter or, if no such record date is established, at the date such vote is taken or any written consent of shareholders is solicited, equal to the number of shares of Common Stock such Preferred Shares are convertible into (voting as a class with Common Stock) based on a per share price of \$1.36 (the “**Voting Conversion Price**”), representing the consolidated closing bid price of the Common Stock on The NASDAQ Stock Market LLC on the date prior to the execution of the Purchase Agreement, but not in excess of the conversion limitations set forth in Section 4(e) herein. Except as otherwise required by law, the holders of Preferred Shares shall vote together with the holders of Common Stock on all matters and shall not vote as a separate class. Upon issuance of the Special Dividend, the Voting Conversion Price shall equal \$2.72 per share.

10. Liquidation, Dissolution, Winding-Up. In the event of a Liquidation Event, the Holders shall be entitled to receive in cash out of the assets of the Company, whether from capital or from earnings available for distribution to its shareholders (the “**Liquidation Funds**”), before any amount shall be paid to the holders of any of shares of Junior Stock, an amount per Preferred Share equal to the greater of (A) the Base Amount thereof on the date of such payment and (B) the amount per share such Holder would receive if such Holder converted such Preferred Shares into Common Stock immediately prior to the date of such payment; provided, however, that, if the Liquidation Funds are insufficient to pay the full amount due to the Holders and holders of shares of Parity Stock, then each Holder and each holder of Parity Stock shall receive a percentage of the Liquidation Funds equal to the full amount of Liquidation Funds payable to such Holder and such holder of Parity Stock as a liquidation preference, in accordance with their respective certificate of designation (or equivalent), as a percentage of the full amount of Liquidation Funds payable to all holders of Preferred Shares and all holders of shares of Parity Stock. To the extent necessary, the Company shall cause such actions to be taken by each of its Subsidiaries so as to enable, to the maximum extent permitted by law, the proceeds of a Liquidation Event to be distributed to the Holders in accordance with this Section 10. All the preferential amounts to be paid to the Holders under this Section 10 shall be paid or set apart for payment before the payment or setting apart for payment of any amount for, or the distribution of any Liquidation Funds of the Company to the holders of shares of Junior Stock in connection with a Liquidation Event as to which this Section 10 applies.

11. Participation. In addition to any adjustments pursuant to Section 7(b), the Holders shall, as holders of Preferred Shares, be entitled to receive such dividends paid and distributions made to the holders of shares of Common Stock to the same extent as if such Holders had converted each Preferred Share held by each of them into shares of Common Stock (without regard to any limitations on conversion herein or elsewhere) and had held such shares of Common Stock on the record date for such dividends and distributions. Payments under the preceding sentence shall be made concurrently with the dividend or distribution to the holders of shares of Common Stock; provided, however, to the extent that a Holder’s right to participate in any such dividend or distribution would result in such Holder exceeding the Maximum Percentage, then such Holder shall not be entitled to participate in such dividend or distribution to such extent (or the beneficial ownership of any such shares of Common Stock as a result of such dividend or distribution to such extent) and such dividend or distribution to such extent shall be held in abeyance for the benefit of such Holder until such time, if ever, as its right thereto would not result in such Holder exceeding the Maximum Percentage.

12. Vote to Change the Terms of or Issue Preferred Shares. In addition to any other rights provided by law, except where the vote or written consent of the holders of a greater number of shares is required by law or by another provision of the Articles of Incorporation, without first obtaining the affirmative vote at a meeting duly called for such purpose or the written consent without a meeting of the Required Holders, voting together as a single class, the Company shall not: (a) amend or repeal any provision of, or add any provision to, its Articles of Incorporation or bylaws, or file any certificate of designation or articles of amendment of any series of shares of preferred stock, if such action would adversely alter or change in any respect the preferences, rights, privileges or powers, or restrictions provided for the benefit, of the Preferred Shares, regardless of whether any such action shall be by means of amendment to the Articles of Incorporation or by merger, consolidation or otherwise; (b) increase or decrease

(other than by conversion) the authorized number of Preferred Shares; (c) without limiting any provision of Section 2, create or authorize (by reclassification or otherwise) any new class or series of shares that has a preference over or is on a parity with the Preferred Shares with respect to dividends or the distribution of assets on the liquidation, dissolution or winding-up of the Company; (d) purchase, repurchase or redeem any shares of capital stock of the Company junior in rank to the Preferred Shares (other than pursuant to equity incentive agreements (that have in good faith been approved by the Board) with employees giving the Company the right to repurchase shares upon the termination of services); (e) without limiting any provision of Section 2, pay dividends or make any other distribution on any shares of any capital stock of the Company junior in rank to the Preferred Shares; or (f) without limiting any provision of Section 16, whether or not prohibited by the terms of the Preferred Shares, circumvent a right of the Preferred Shares.

13. Limitations on Issuances and Financings. During the Prohibition Period (as defined in the Purchase Agreement), the Company shall not, without Required Consent (as defined in the Purchase Agreement) issue any Common Stock or securities convertible into or exercisable for shares of Common Stock to any person or entity for solely capital raising purposes or incur any financing debt or enter into other incremental financing arrangements at a per share price less than the Conversion Price.

14. Lost or Stolen Certificates. Upon receipt by the Company of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of any certificates representing Preferred Shares (as to which a written certification and the indemnification contemplated below shall suffice as such evidence), and, in the case of loss, theft or destruction, of an indemnification undertaking by the applicable Holder to the Company in customary and reasonable form and, in the case of mutilation, upon surrender and cancellation of the certificate(s), the Company shall execute and deliver new certificate(s) of like tenor and date.

15. Remedies, Characterizations, Other Obligations, Breaches and Injunctive Relief. The remedies provided in this Certificate of Designation shall be cumulative and in addition to all other remedies available under this Certificate of Designation and any of the other Transaction Documents, at law or in equity (including a decree of specific performance and/or other injunctive relief), and no remedy contained herein shall be deemed a waiver of compliance with the provisions giving rise to such remedy. Nothing herein shall limit any Holder's right to pursue actual and consequential damages for any failure by the Company to comply with the terms of this Certificate of Designation. The Company covenants to each Holder that there shall be no characterization concerning this instrument other than as expressly provided herein. Amounts set forth or provided for herein with respect to payments, conversion and the like (and the computation thereof) shall be the amounts to be received by a Holder and shall not, except as expressly provided herein, be subject to any other obligation of the Company (or the performance thereof). The Company acknowledges that a breach by it of its obligations hereunder will cause irreparable harm to the Holders and that the remedy at law for any such breach may be inadequate. The Company therefore agrees that, in the event of any such breach or threatened breach, each Holder shall be entitled, in addition to all other available remedies, to an injunction restraining any such breach or any such threatened breach, without the necessity of showing economic loss and without any bond or other security being required. The Company shall provide all information and documentation to a Holder that is requested by such Holder to enable such Holder to confirm the Company's compliance with the terms and conditions of this Certificate of Designation.

16. Noncircumvention. The Company hereby covenants and agrees that the Company will not, by amendment of its Articles of Incorporation, bylaws or through any reorganization, transfer of assets, consolidation, merger, scheme of arrangement, dissolution, issue or sale of securities, or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Certificate of Designation, and will at all times in good faith carry out all of the provisions of this Certificate of Designation and take all action as may be required to protect the rights of the Holders. Without limiting the generality of the foregoing or any other provision of this Certificate of Designation, the Company (i) shall not increase the par value of any shares of Common Stock receivable upon the conversion of any Preferred Shares above the Conversion Price then in effect, (ii) shall take all such actions as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and non-assessable shares of Common Stock upon the conversion of Preferred Shares and (iii) shall, so long as any Preferred Shares are outstanding, take all action necessary to reserve and keep available out of its authorized and unissued shares of Common Stock, solely for the purpose of effecting the conversion of the Preferred Shares, the maximum number of shares of Common Stock as shall from time to time be necessary to effect the conversion of the Preferred Shares then outstanding (without regard to any limitations on conversion contained herein).

17. Failure or Indulgence Not Waiver. No failure or delay on the part of a Holder in the exercise of any power, right or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other right, power or privilege. No waiver shall be effective unless it is in writing and signed by an authorized representative of the waiving party. This Certificate of Designation shall be deemed to be jointly drafted by the Company and all Holders and shall not be construed against any Person as the drafter hereof.

18. Notices. The Company shall provide each Holder of Preferred Shares with prompt written notice of all actions taken pursuant to the terms of this Certificate of Designation, including in reasonable detail a description of such action and the reason therefor. Whenever notice is required to be given under this Certificate of Designation, unless otherwise provided herein, such notice must be in writing and shall be given in accordance with the Purchase Agreement. Without limiting the generality of the foregoing, the Company shall give written notice to each Holder (i) promptly following any adjustment of the Conversion Price, setting forth in reasonable detail, and certifying, the calculation of such adjustment and (ii) at least fifteen (15) days prior to the date on which the Company closes its books or takes a record (A) with respect to any dividend or distribution upon the Common Stock, (B) with respect to any grant, issuances, or sales of any Options, Convertible Securities or rights to purchase stock, warrants, securities or other property to all holders of shares of Common Stock as a class or (C) for determining rights to vote with respect to any Fundamental Transaction, dissolution or liquidation, provided, in each case, that such information shall be made known to the public prior to, or simultaneously with, such notice being provided to any Holder.

19. Transfer of Preferred Shares. Subject to the restrictions set forth in Purchase Agreement, a Holder may transfer some or all of its Preferred Shares without the consent of the Company.

20. Preferred Shares Register. The Company shall maintain at its principal executive offices (or such other office or agency of the Company as it may designate and provide notice to the Holders thereof), a register for the Preferred Shares, in which the Company shall record the name, address and facsimile number of the Persons in whose name the Preferred Shares have been issued, as well as the name, address, facsimile number and tax identification number of each transferee. The Company may treat the Person in whose name any Preferred Shares is registered on the register as the owner and holder thereof for all purposes, notwithstanding any notice to the contrary, but in all events recognizing any properly made transfers.

21. Shareholder Matters; Amendment.

(a) Shareholder Matters. Any shareholder action, approval or consent required, desired or otherwise sought by the Company pursuant to the NRS, the Articles of Incorporation, this Certificate of Designation or otherwise with respect to the issuance of Preferred Shares may be effected by written consent of the Company's shareholders or at a duly called meeting of the Company's shareholders, all in accordance with the applicable rules and regulations of the NRS. This provision is intended to comply with the applicable sections of the NRS permitting shareholder action, approval and consent affected by written consent in lieu of a meeting.

(b) Amendment. This Certificate of Designation or any provision hereof may be amended by obtaining the affirmative vote at a meeting duly called for such purpose, or written consent without a meeting in accordance with the NRS, of the Required Holders, voting separate as a single class, and with such other shareholder approval, if any, as may then be required pursuant to the NRS and the Articles of Incorporation.

(g) Indemnification. The Company will indemnify and hold harmless each Purchaser and, where applicable, its directors, officers, employees, agents, advisors and shareholders (each, an “Indemnitee”) from and against any and all loss, liability, claim, damage and expense whatsoever (including, but not limited to, any and all fees, costs and expenses whatsoever reasonably incurred in investigating, preparing or defending against any claim, lawsuit, administrative proceeding or investigation whether commenced or threatened) (the “Indemnified Liabilities”), incurred by any Indemnitee as a result of, or arising out of, or relating to (i) any misrepresentation or breach of any representation or warranty made by the Company or any Subsidiary in any of the Transaction Documents, (ii) any breach of any covenant, agreement or obligation of the Company or any Subsidiary contained in any of the Transaction Documents or (iii) any cause of action, suit, proceeding or claim brought or made against such Indemnitee by a third party (including for these purposes a derivative action brought on behalf of the Company or any Subsidiary) or which otherwise involves such Indemnitee that arises out of or results from (A) the execution, delivery, performance or enforcement of any of the Transaction Documents, (B) any transaction financed or to be financed in whole or in part, directly or indirectly, with the proceeds of the issuance of the Securities, or (C) the status of such Purchaser or holder of the Securities either as an investor in the Company pursuant to the transactions contemplated by the Transaction Documents or as a party to this Agreement (including, without limitation, as a party in interest or otherwise in any action or proceeding for injunctive or other equitable relief). To the extent that the foregoing undertaking by the Company may be unenforceable for any reason, the Company shall make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities which is permissible under applicable law.

Except as disclosed on Schedule 3.1(h), there are no outstanding options, warrants, scrip rights to subscribe to, calls or commitments of any character whatsoever relating to, or securities, rights or obligations convertible into or exercisable or exchangeable for, or giving any Person any right to subscribe for or acquire any shares of Common Stock, or contracts, commitments, understandings or arrangements by which the Company or any Subsidiary is or may become bound to issue additional shares of Common Stock or Common Stock Equivalents. Except as set forth on Schedule 3.1(h), the issuance and sale of the Securities will not obligate the Company to issue shares of Common Stock or other securities to any Person (other than the Purchasers) and will not result in a right of any holder of Company securities to adjust the exercise, conversion, exchange or reset price under any of such securities. All of the outstanding shares of capital stock of the Company are duly authorized, validly issued, fully paid and nonassessable, have been issued in material compliance with all federal and state securities laws, and none of such outstanding shares was issued in violation of any preemptive rights or similar rights to subscribe for or purchase securities. Pursuant to the provisions of the Exchange Act, the Company has timely filed all reports and other materials required to be filed by the Company thereunder with the Commission during the preceding twelve months. The Company is not and has never been a "shell company", as that term is employed in Rule 144 under the Securities Act. In furtherance thereof, the Purchaser represents and warrants to the Company and its affiliates as follows:

(i) The Purchaser realizes that the basis for the exemption from registration may not be available if, notwithstanding the Purchaser's representations contained herein, the Purchaser is merely acquiring the Securities for a fixed or determinable period in the future, or for a market rise, or for sale if the market does not rise. The Purchaser does not have any such intention.

(ii) The Purchaser realizes that the basis for exemption would not be available if the Offering is part of a plan or scheme to evade registration provisions of the Securities Act or any applicable state or federal securities laws, except sales pursuant to a registration statement or sales that are exempted under the Securities Act.

(iii) The Purchaser is acquiring the Securities solely for the Purchaser's own beneficial account, for investment purposes, and not with a view towards, or resale in connection with, any distribution of the Securities.

(iv) The Purchaser has the financial ability to bear the economic risk of the Purchaser's investment, has adequate means for providing for its current needs and contingencies, and has no need for liquidity with respect to an investment in the Company.

(v) The Purchaser and the Purchaser's attorney, accountant, purchaser representative and/or tax advisor, if any (collectively, the "Advisors") has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of a prospective investment in the Securities. If other than an individual, the Purchaser also represents it has not been organized solely for the purpose of acquiring the Securities.

(vi) The Purchaser (together with its Advisors, if any) has received all documents requested by the Purchaser, if any, and has carefully reviewed them and understands the information contained therein, prior to the execution of this Agreement.

(c) The Purchaser is not relying on the Company or any of its employees, agents, sub-agents or advisors with respect to the legal, tax, economic and related considerations involved in this investment. The Purchaser has relied on the advice of, or has consulted with, only its Advisors. Each Advisor, if any, has disclosed to the Purchaser in writing (a copy of which is annexed to this Agreement) the specific details of any and all past, present or future relationships, actual or contemplated, between the Advisor and the Company or any affiliate or sub-agent thereof.

(d) The Purchaser has carefully considered the potential risks relating to the Company and a purchase of the Securities, and fully understands that the Securities are a speculative investment that involves a high degree of risk of loss of the Purchaser's entire investment. Among other things, the Purchaser has carefully considered each of the risks described under the heading "*Risk Factors*" in the Company's SEC Filings (as defined above) and any additional disclosures in the nature of Risk Factors described herein.

(e) The Purchaser will not sell or otherwise transfer any Securities without registration under the Securities Act or an exemption therefrom, and fully understands and agrees that the Purchaser must bear the economic risk of its purchase because, among other reasons, the Securities have not been registered under the Securities Act or under the securities laws of any state and, therefore, cannot be resold, pledged, assigned or otherwise disposed of unless they are subsequently registered under the Securities Act and under the applicable securities laws of such states, or an exemption from such registration is available. In particular, the Purchaser is aware that the Securities are "restricted securities," as such term is defined in Rule 144, and they may not be sold pursuant to Rule 144 unless all of the conditions of Rule 144 are met. The Purchaser also understands that the Company is under no obligation to register the Securities on behalf of the Purchaser or to assist the Purchaser in complying with any exemption from registration under the Securities Act or applicable state securities laws. The Purchaser understands that any sales or transfers of the Securities are further restricted by state securities laws and the provisions of this Agreement.

(f) No oral or written representations or warranties have been made, or information furnished, to the Purchaser or its Advisors, if any, by the Company or any of its officers, employees, agents, sub-agents, affiliates, advisors or subsidiaries in connection with the Offering, other than any representations of the Company contained herein, and in subscribing for the Securities, the Purchaser is not relying upon any representations other than those contained herein.

(g) The Purchaser's overall commitment to investments that are not readily marketable is not disproportionate to the Purchaser's net worth, and an investment in the Securities will not cause such overall commitment to become excessive.

(h) The Purchaser understands and agrees that the certificates for the Securities shall bear substantially the following legend:

"[NEITHER THE ISSUANCE AND SALE OF THE SECURITIES REPRESENTED BY THIS CERTIFICATE NOR THE SECURITIES INTO WHICH THESE SECURITIES ARE CONVERTIBLE HAVE BEEN][THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN] REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR APPLICABLE STATE SECURITIES LAWS. THE SECURITIES MAY NOT BE OFFERED FOR SALE, SOLD, TRANSFERRED OR ASSIGNED (I) IN THE ABSENCE OF (A) AN EFFECTIVE REGISTRATION STATEMENT FOR THE SECURITIES UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR (B) AN OPINION OF COUNSEL TO THE HOLDER (IF REQUESTED BY THE COMPANY), IN A FORM REASONABLY ACCEPTABLE TO THE COMPANY, THAT REGISTRATION IS NOT REQUIRED UNDER SAID ACT OR (II) UNLESS SOLD OR ELIGIBLE TO BE SOLD PURSUANT TO RULE 144 OR RULE 144A UNDER SAID ACT. NOTWITHSTANDING THE FOREGOING, THE SECURITIES MAY BE PLEDGED IN CONNECTION WITH A BONA FIDE MARGIN ACCOUNT OR OTHER LOAN OR FINANCING ARRANGEMENT SECURED BY THE SECURITIES."

(i) Certificates evidencing Securities shall not be required to contain the legend set forth in Section 3.2 (h) above or any other legend (i) while a registration statement covering the resale of such Securities is effective under the Securities Act, (ii) following any sale of such Securities pursuant to Rule 144 (assuming the transferor is not an affiliate of the Company), (iii) if such Securities are eligible to be sold, assigned or transferred under Rule 144 (provided that the Purchaser provides the Company with reasonable assurances that such Securities are eligible for sale, assignment or transfer under Rule 144 which shall not include an opinion of the Purchaser's counsel), (iv) in connection with a sale, assignment or other transfer (other than under Rule 144), provided that the Purchaser provides the Company with an opinion of counsel, in a generally acceptable form, to the effect that such sale, assignment or transfer of the Securities may be made without registration under the applicable requirements of the Securities Act or (v) if such legend is not required under applicable requirements of the Securities Act (including, without limitation, controlling judicial interpretations and pronouncements issued by the Commission). If a legend is not required pursuant to the foregoing, the Company shall no later than three (3) business days following the delivery by the Purchaser to the Company or the transfer agent (with notice to the Company) of a legended certificate representing such Securities (endorsed or with stock powers attached, signatures guaranteed, and otherwise in form necessary to affect the reissuance and/or transfer, if applicable), together with any other deliveries from the Purchaser as may be required above in this Section 3.2 (i), as directed by the Purchaser, either: (A) provided that the Company's transfer agent is participating in the DTC Fast Automated Securities Transfer Program and the Securities are Conversion Shares, credit the aggregate number of Conversion Shares to which the Purchaser shall be entitled to the Purchaser's or its designee's balance account with DTC through its Deposit and Withdrawal at Custodian system or (B) if the Company's transfer agent is not participating in the DTC Fast Automated Securities Transfer Program, issue and deliver (via reputable overnight courier) to the Purchaser, a certificate representing such Securities that is free from all restrictive and other legends, registered in the name of the Purchaser or its designee. The Company shall be responsible for any transfer agent fees, fees of legal counsel to the Company or DTC fees with respect to any issuance of Securities or the removal of any legends with respect to any Securities in accordance herewith.

(j) Neither the Commission nor any state securities commission has approved the Securities or passed upon or endorsed the merits of the Offering. There is no government or other insurance covering any of the Securities.

(k) The Purchaser and its Advisors, if any, have had a reasonable opportunity to ask questions of and receive answers from a person or persons acting on behalf of the Company concerning the Offering and the business, financial condition, results of operations and prospects of the Company, and all such questions have been answered to the full satisfaction of the Purchaser and its Advisors, if any.

(l) (i) In making the decision to invest in the Securities, the Purchaser has relied solely upon the information provided by the Company in the Transaction Documents. To the extent necessary, the Purchaser has retained, at its own expense, and relied upon appropriate professional advice regarding the investment, tax and legal merits and consequences of this Agreement and the purchase of the Securities hereunder. The Purchaser disclaims reliance on any statements made or information provided by any person or entity in the course of Purchaser's consideration of an investment in the Securities other than the Transaction Documents.

(ii) The Purchaser represents and warrants that: (i) the Purchaser was contacted regarding the sale of the Securities by the Company (or an authorized agent or representative thereof) with whom the Purchaser had a prior substantial pre-existing relationship and (ii) no Securities were offered or sold to it by means of any form of general solicitation or general advertising, and in connection therewith, the Purchaser did not (A) receive or review any advertisement, article, notice or other communication published in a newspaper or magazine or similar media or broadcast over television or radio, whether closed circuit, or generally available; or (B) attend any seminar meeting or industry investor conference whose attendees were invited by any general solicitation or general advertising; or (C) observe any website or filing of the Company with the Commission in which any offering of securities by the Company was described and as a result learned of any offering of securities by the Company.

(m) The Purchaser has taken no action that would give rise to any claim by any person for brokerage commissions, finders' fees or the like relating to this Agreement or the transactions contemplated hereby.

(n) The Purchaser is not relying on the Company or any of its employees, agents, or advisors with respect to the legal, tax, economic and related considerations of an investment in the Securities, and the Purchaser has relied on the advice of, or has consulted with, only its own Advisors.

(o) The Purchaser acknowledges that any estimates or forward-looking statements or projections furnished by the Company to the Purchaser were prepared by the management of the Company in good faith, but that the attainment of any such projections, estimates or forward-looking statements cannot be guaranteed by the Company or its management and should not be relied upon.

(p) No oral or written representations have been made, or oral or written information furnished, to the Purchaser or its Advisors, if any, in connection with the Offering that are in any way inconsistent with the information contained herein.

(q) (For ERISA plans only) The fiduciary of the ERISA plan (the "Plan") represents that such fiduciary has been informed of and understands the Company's investment objectives, policies and strategies, and that the decision to invest "plan assets" (as such term is defined in ERISA) in the Company is consistent with the provisions of ERISA that require diversification of plan assets and impose other fiduciary responsibilities. The Purchaser or Plan fiduciary (i) is responsible for the decision to invest in the Company; (ii) is independent of the Company and any of its affiliates; (iii) is qualified to make such investment decision; and (iv) in making such decision, the Purchaser or Plan fiduciary has not relied primarily on any advice or recommendation of the Company or any of its affiliates.

(r) The Purchaser is an "Accredited Investor" as defined in Rule 501(a) under the Securities Act. In general, an "Accredited Investor" is deemed to be an institution with assets in excess of \$5,000,000 or individuals with a net worth in excess of \$1,000,000 (excluding such person's residence) or annual income exceeding \$200,000 or \$300,000 jointly with his or her spouse.

(s) The Purchaser, either alone or together with its representatives, has such knowledge, sophistication and experience in business and financial matters so as to be capable of evaluating the merits and risks of the Offering, and has so evaluated the merits and risks of such investment. The Purchaser has not authorized any person or entity to act as its Purchaser Representative (as that term is defined in Regulation D of the General Rules and Regulations under the Securities Act) in connection with the Offering. The Purchaser is able to bear the economic risk of an investment in the Securities and, at the present time, is able to afford a complete loss of such investment.

ARTICLE IV.

OTHER AGREEMENTS OF THE PARTIES

4.1 Transfer Restrictions.

(a) The Securities may only be disposed of in compliance with state and federal securities laws. In connection with any transfer of Securities other than pursuant to an effective registration statement or Rule 144, to the Company or to an Affiliate of a Purchaser or in connection with a pledge as contemplated in Section 4.1(b), the Company may require the transferor thereof to provide to the Company an opinion of counsel selected by the transferor and reasonably acceptable to the Company, the form and substance of which opinion shall be reasonably satisfactory to the Company, to the effect that such transfer does not require registration of such transferred Securities under the Securities Act. As a condition of such transfer, any such transferee shall agree in writing to be bound by the terms of this Agreement and the other applicable Transaction Documents and shall have the rights and obligations of a Purchaser under this Agreement.

(b) The Purchasers agree to the imprinting, so long as is required by this Section 4.1, of a legend on the Securities in the following form:

“[NEITHER THE ISSUANCE AND SALE OF THE SECURITIES REPRESENTED BY THIS CERTIFICATE NOR THE SECURITIES INTO WHICH THESE SECURITIES ARE CONVERTIBLE HAVE BEEN][THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN] REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR APPLICABLE STATE SECURITIES LAWS. THE SECURITIES MAY NOT BE OFFERED FOR SALE, SOLD, TRANSFERRED OR ASSIGNED (I) IN THE ABSENCE OF (A) AN EFFECTIVE REGISTRATION STATEMENT FOR THE SECURITIES UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR (B) AN OPINION OF COUNSEL TO THE HOLDER (IF REQUESTED BY THE COMPANY), IN A FORM REASONABLY ACCEPTABLE TO THE COMPANY, THAT REGISTRATION IS NOT REQUIRED UNDER SAID ACT OR (II) UNLESS SOLD OR ELIGIBLE TO BE SOLD PURSUANT TO RULE 144 OR RULE 144A UNDER SAID ACT. NOTWITHSTANDING THE FOREGOING, THE SECURITIES MAY BE PLEDGED IN CONNECTION WITH A BONA FIDE MARGIN ACCOUNT OR OTHER LOAN OR FINANCING ARRANGEMENT SECURED BY THE SECURITIES.”

The Company acknowledges and agrees that, a Purchaser may from time to time pledge pursuant to a bona fide margin agreement with a registered broker-dealer or grant a security interest in some or all of the Securities to a financial institution that is an “accredited investor” as defined in Rule 501(a) under the Securities Act and who agrees to be bound by the provisions of this Agreement and the other applicable Transaction Documents and, if required under the terms of such arrangement, such Purchaser may transfer pledged or secured Securities into the name of the pledgees or secured parties, in their respective capacities as such. Such a pledge or transfer would not be subject to approval of the Company and no legal opinion of legal counsel of the pledgee, secured party or pledgor shall be required in connection therewith. Further, no notice shall be required of such pledge. At the appropriate Purchaser’s expense, the Company will execute and deliver such reasonable documentation as a pledgee or secured party of Securities may reasonably request in connection with a pledge or transfer of the Securities.

(c) In lieu of delivering physical certificates representing the unlegended shares, upon request of a Purchaser, so long as the certificates therefor do not bear a legend and the Purchaser is not obligated to return such certificate for the placement of a legend thereon and provided it is commercially reasonable for the Company to do so, the Company shall cause its transfer agent to electronically transmit the unlegended shares by crediting the account of Purchaser’s prime broker with the Depository Trust Company through its DWAC system, provided that the Company’s Common Stock is DTC eligible and the Company’s transfer agent participates in the Deposit Withdrawal at Custodian system and such Securities are Conversion Shares. Such delivery must be made on or before the Legend Removal Date.

(d) In the event a Purchaser shall request delivery of unlegended shares as described in this Section 4.1 and the Company is required to deliver such unlegended shares, the Company may not refuse to deliver unlegended shares based on any claim that such Purchaser or anyone associated or affiliated with such Purchaser has not complied with Purchaser’s obligations under the Transaction Documents, or for any other reason, unless, an injunction or temporary restraining order from a court, on notice, restraining and or enjoining delivery of such unlegended shares shall have been sought and obtained by the Company and the Company has posted a surety bond for the benefit of such Purchaser in the amount of the greater of (i) 120% of the amount of the aggregate stated value of the Conversion Shares which is subject to the injunction or temporary restraining order, or (ii) the VWAP of the Common Stock on the trading day before the issue date of the injunction multiplied by the number of unlegended shares to be subject to the injunction, which bond shall remain in effect until the completion of arbitration/litigation of the dispute and the proceeds of which shall be payable to such Purchaser to the extent Purchaser obtains judgment in Purchaser’s favor.

4.2 Furnishing of Information: Public Information.

(a) Until no Purchaser holds any Securities, the Company covenants to maintain the registration of the Common Stock under Section 12(b) or 12(g) of the Exchange Act and to timely file (or obtain extensions in respect thereof and file within the applicable grace period) all reports required to be filed by the Company after the date hereof pursuant to the Exchange Act even if the Company is not then subject to the reporting requirements of the Exchange Act.

(b) At any time commencing on the Closing Date and ending at such time that all of the Securities may be sold without the requirement for the Company to be in compliance with Rule 144(c)(1) and otherwise without restriction or limitation pursuant to Rule 144, if the Company shall fail for any reason to satisfy the current public information requirement under Rule 144(c) (a “Public Information Failure”) then, in addition to such Purchaser’s other available remedies, the Company shall pay to a Purchaser, in cash, as partial liquidated damages and not as a penalty, by reason of any such delay in or reduction of its ability to sell the Securities, an amount in cash equal to two percent (2.0%) of the aggregate Subscription Amount of such Purchaser’s Securities held by such Purchaser on the day of a Public Information Failure and on every thirtieth (30th) day (pro-rated for periods totaling less than thirty days) thereafter until the earlier of (a) the date such Public Information Failure is cured and (b) such time that such public information is no longer required for the Purchasers to transfer the Conversion Shares pursuant to Rule 144. The payments to which a Purchaser shall be entitled pursuant to this Section 4.2(b) are referred to herein as “Public Information Failure Payments.” Public Information Failure Payments shall be paid on the earlier of (i) the last day of the calendar month during which such Public Information Failure Payments are incurred and (ii) the third (3rd) Business Day after the event or failure giving rise to the Public Information Failure Payments is cured. In the event the Company fails to make Public Information Failure Payments in a timely manner, such Public Information Failure Payments shall bear interest at the rate of 1.5% per month (prorated for partial months) until paid in full. Nothing herein shall limit such Purchaser’s right to pursue actual damages for the Public Information Failure, and such Purchaser shall have the right to pursue all remedies available to it at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief.

4.3 Integration. The Company shall not sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any security (as defined in Section 2 of the Securities Act) that would be integrated with the offer or sale of the Securities by the Company in a manner that would require the registration under the Securities Act of the sale of the Securities or that would be integrated with the offer or sale of the Securities for purposes of the rules and regulations of any Trading Market such that it would require shareholder approval prior to the closing of such other transaction unless shareholder approval is obtained before the closing of such subsequent transaction.

4.4 Securities Laws Disclosure: Publicity. The Company shall, by 9:00 a.m. (New York City time) on the first (1st) Trading Day immediately following the Closing Date, issue a press release disclosing the material terms of the transactions contemplated hereby, and shall file a Current Report on Form 8-K, including the Transaction Documents as exhibits thereto (the “Form 8-K”) within four Business Days of the date hereof. From and after the issuance of such press release and Form 8-K, the Company represents to the Purchasers that it shall have publicly disclosed all material, non-public information delivered to any of the Purchasers by the Company or any of its Subsidiaries, or any of their respective officers, directors, employees or agents in connection with the transactions contemplated by the Transaction Documents. The Company and each Purchaser shall consult with each other in issuing any other press releases with respect to the transactions contemplated hereby, and neither the Company nor any Purchaser shall issue any such press release nor otherwise make any such public statement without the prior consent of the Company, with respect to any press release of any Purchaser, or without the prior consent of each Purchaser, with respect to any press release of the Company, which consent shall not unreasonably be withheld, delayed, denied or conditioned, except if such disclosure is required by law, in which case the disclosing party shall promptly provide the other party with prior notice of such public statement or communication. Notwithstanding the foregoing, the Company shall not publicly disclose the name of any Purchaser, or include the name of any Purchaser in any filing with the Commission or any regulatory agency or Trading Market unless the name of such Purchaser is already included in the body of the Transaction Documents, without the prior written consent of such Purchaser, except: (a) as required by federal or state securities law in connection with the filing of final Transaction Documents with the Commission, (b) to the extent such disclosure is required by law or Trading Market regulations, in which case the Company shall provide the Purchasers with prior notice of such disclosure permitted under this clause (b) or (c) in connection with the filing of the Registration Statement.

4.5 Non-Public Information. Except for the schedules and exhibits to this Agreement and the Transaction Documents, and except to the extent the Company has entered into a non-disclosure, confidentiality or similar agreement with such Purchaser, the Company covenants and agrees that neither it, nor any other Person acting on its behalf, will provide any Purchaser or its agents or counsel with any information that the Company believes constitutes material non-public information, unless (i) prior thereto such Purchaser shall have entered into a written agreement with the Company regarding the confidentiality and use of such information, or (ii) such Purchaser receives such information in connection with serving as an officer and/or director of the Company. The Company understands and confirms that each Purchaser shall be relying on the foregoing covenant in effecting transactions in securities of the Company.

4.6 Use of Proceeds. The Company will use the net proceeds to the Company from the sale of the Shares hereunder as set forth on Schedule 4.6. The Company shall not use such proceeds: (a) for the satisfaction of any portion of the Company's debt (other than payment of trade payables in the ordinary course of the Company's business and prior practices), (b) for the redemption of any Common Stock or Common Stock Equivalents, (c) for the settlement of any outstanding litigation or (d) in violation of the law, including FCPA or OFAC.

4.7 Right of Participation. The Company acknowledges and agrees that the right set forth in this Section 4.7 is a right granted by the Company, separately, to each Purchaser.

(i) At least five (5) trading days prior to any proposed or intended sale by the Company of its Common Stock or other securities or equity linked debt obligations (each, a "Subsequent Placement"), the Company shall deliver to each Purchaser a written notice of its proposal or intention to effect a Subsequent Placement (each such notice, a "Pre-Notice"), which Pre-Notice shall not contain any information (including, without limitation, material, non-public information) other than: (A) a statement that the Company proposes or intends to effect a Subsequent Placement, (B) a statement that the statement in clause (A) above does not constitute material, non-public information and (C) a statement informing such Purchaser that it is entitled to receive an Offer Notice (as defined below) with respect to such Subsequent Placement upon its written request. Upon the written request of a Purchaser within five (5) business days after the Company's delivery to such Purchaser of such Pre-Notice, and only upon a written request by such Purchaser, the Company shall promptly, but no later than one (1) business day after such request, deliver to such Purchaser an irrevocable written notice (the "Offer Notice") of any proposed or intended issuance or sale or exchange (the "Offer") of the securities being offered (the "Offered Securities") in a Subsequent Placement, which Offer Notice shall (I) identify and describe the Offered Securities, (II) describe the price and other terms upon which they are to be issued, sold or exchanged, and the number or amount of the Offered Securities to be issued, sold or exchanged, (III) identify the persons (if known) to which or with which the Offered Securities are to be offered, issued, sold or exchanged and (IV) offer to issue and sell to or exchange with such Purchaser in accordance with the terms of the Offer such Purchaser's pro rata portion of 50% of the Offered Securities, provided that the number of Offered Securities which such Purchaser shall have the right to subscribe for under this Section 4.7 shall be (x) based on such Purchaser's pro rata portion of the aggregate original amount of the Shares purchased hereunder by all Purchasers (the "Basic Amount"), and (y) with respect to each Purchaser that elects to purchase its Basic Amount, any additional portion of the Offered Securities attributable to the Basic Amounts of other Purchasers as such Purchasers shall indicate it will purchase or acquire should the other Purchasers subscribe for less than their Basic Amounts (the "Undersubscription Amount").

(ii) To accept an Offer, in whole or in part, such Purchaser must deliver a written notice to the Company prior to the end of the fifth (5th) Business Day after such Purchaser's receipt of the Offer Notice (the "Offer Period"), setting forth the portion of such Purchaser's Basic Amount that such Purchaser elects to purchase and, if such Purchaser shall elect to purchase all of its Basic Amount, the Undersubscription Amount, if any, that such Purchaser elects to purchase (in either case, the "Notice of Acceptance"). If the Basic Amounts subscribed for by all Purchasers are less than the total of all of the Basic Amounts, then such Purchaser who has set forth an Undersubscription Amount in its Notice of Acceptance shall be entitled to purchase, in addition to the Basic Amounts subscribed for, the Undersubscription Amount it has subscribed for; provided, however, if the Undersubscription Amounts subscribed for exceed the difference between the total of all the Basic Amounts and the Basic Amounts subscribed for (the "Available Undersubscription Amount"), such Purchaser who has subscribed for any Undersubscription Amount shall be entitled to purchase only that portion of the Available Undersubscription Amount as the Basic Amount of such Purchaser bears to the total Basic Amounts of all Purchasers that have subscribed for Undersubscription Amounts, subject to rounding by the Company to the extent it deems reasonably necessary. Notwithstanding the foregoing, if the Company desires to modify or amend the terms and conditions of the Offer prior to the expiration of the Offer Period, the Company may deliver to each Purchaser a new Offer Notice and the Offer Period shall expire on the fifth (5th) Business Day after such Purchaser's receipt of such new Offer Notice.

(iii) The Company shall have five (5) Business Days from the expiration of the Offer Period above (A) to offer, issue, sell or exchange all or any part of such Offered Securities as to which a Notice of Acceptance has not been given by a Purchaser (the "Refused Securities") pursuant to a definitive agreement(s) (the "Subsequent Placement Agreement"), but only to the offerees described in the Offer Notice (if so described therein) and only upon terms and conditions (including, without limitation, unit prices and interest rates) that are not more favorable to the acquiring person or persons or less favorable to the Company than those set forth in the Offer Notice and (B) to publicly announce (I) the execution of such Subsequent Placement Agreement, and (II) either (x) the consummation of the transactions contemplated by such Subsequent Placement Agreement or (y) the termination of such Subsequent Placement Agreement, which shall be filed with the Commission on a Current Report on Form 8-K with such Subsequent Placement Agreement and any documents contemplated therein filed as exhibits thereto.

(iv) In the event the Company shall propose to sell less than all the Refused Securities (any such sale to be in the manner and on the terms specified in Section 4.7(iii) above), then such Purchaser may, at its sole option and in its sole discretion, reduce the number or amount of the Offered Securities specified in its Notice of Acceptance to an amount that shall be not less than the number or amount of the Offered Securities that such Purchaser elected to purchase pursuant to Section 4.7(ii) above multiplied by a fraction, (A) the numerator of which shall be the number or amount of Offered Securities the Company actually proposes to issue, sell or exchange (including Offered Securities to be issued or sold to Purchasers pursuant to this Section 4.7 prior to such reduction) and (B) the denominator of which shall be the original amount of the Offered Securities. In the event that any Purchaser so elects to reduce the number or amount of Offered Securities specified in its Notice of Acceptance, the Company may not issue, sell or exchange more than the reduced number or amount of the Offered Securities unless and until such securities have again been offered to the Purchasers in accordance with Section 4.7(i) above.

(v) Upon the closing of the issuance, sale or exchange of all or less than all of the Refused Securities, such Purchaser shall acquire from the Company, and the Company shall issue to such Purchaser, the number or amount of Offered Securities specified in its Notice of Acceptance. The purchase by such Purchaser of any Offered Securities is subject in all cases to the preparation, execution and delivery by the Company and such Purchaser of a separate purchase agreement relating to such Offered Securities reasonably satisfactory in form and substance to such Purchaser and its counsel.

(vi) Any Offered Securities not acquired by a Purchaser or other persons in accordance with this Section 4.7 may not be issued, sold or exchanged until they are again offered to such Purchaser under the procedures specified in this Agreement.

(vii) The Company and each Purchaser agree that if any Purchaser elects to participate in the Offer, neither the Subsequent Placement Agreement with respect to such Offer nor any other transaction documents related thereto (collectively, the “Subsequent Placement Documents”) shall include any term or provision whereby such Purchaser shall be required to agree to any restrictions on trading as to any securities of the Company or be required to consent to any amendment to or termination of, or grant any waiver, release or the like under or in connection with, any agreement previously entered into with the Company or any instrument received from the Company.

(viii) Notwithstanding anything to the contrary in this Section 4.7 and unless otherwise agreed to by such Purchaser, the Company shall either confirm in writing to such Purchaser that the transaction with respect to the Subsequent Placement has been abandoned or shall publicly disclose its intention to issue the Offered Securities, in either case, in such a manner such that such Purchaser will not be in possession of any material, non-public information, by the fifth (5th) business day following delivery of the Offer Notice. If by such fifth (5th) business day, no public disclosure regarding a transaction with respect to the Offered Securities has been made, and no notice regarding the abandonment of such transaction has been received by such Purchaser, such transaction shall be deemed to have been abandoned and such Purchaser shall not be in possession of any material, non-public information with respect to the Company or any of its subsidiaries. Should the Company decide to pursue such transaction with respect to the Offered Securities, the Company shall provide such Purchaser with another Offer Notice in accordance with, and subject to, the terms of this Section 4.7 and such Purchaser will again have the right of participation set forth in this Section 4.7. The Company shall not be permitted to deliver more than one such Offer Notice to such Purchaser in any sixty (60) day period, except as expressly contemplated by the last sentence of Section 4.7(ii).

The Right of Participation set forth in this Section 4.7 shall terminate immediately after such time as the Company closes a financing in which the Company has received gross proceeds of at least \$1,000,000.

4.8 Reservation of Common Stock. As of the Closing Date, the Company has reserved and shall continue to reserve and keep available at all times, free of preemptive rights, a sufficient number of shares of Common Stock for the purpose of enabling the Company to issue Conversion Shares pursuant to the Transaction Documents (such amount being the “Required Minimum”). If, on any date, the number of authorized but unissued (and otherwise unreserved) shares of Common Stock is less than the Required Minimum on such date, then the Board of Directors shall use commercially reasonable efforts to amend the Company’s articles of incorporation to increase the number of authorized but unissued shares of Common Stock to at least the Required Minimum at such time, as soon as possible and in any event not later than the 90th day after such date.

4.9 Listing of Common Stock. The Company hereby agrees to maintain the listing or quotation of the Common Stock on the Trading Market on which it is currently listed, and concurrently with each Closing, the Company, if applicable, shall apply to list or quote all of the Conversion Shares on such Trading Market and promptly secure the listing of all of the Conversion Shares on such Trading Market. The Company further agrees, if the Company applies to have the Common Stock traded on any other Trading Market, it will then include in such application all of the Conversion Shares, and will take such other action as is necessary to cause all of the Conversion Shares to be listed or quoted on such other Trading Market as promptly as possible. The Company will then take all action necessary to continue the listing or quotation and trading of its Common Stock on a Trading Market until five years after the Closing Date and will comply in all respects with the Company’s reporting, filing and other obligations under the bylaws or rules of the Trading Market at least until five years after the Closing Date. In the event the afore-described listing is not continuously maintained for five years after the date of such listing (a “Listing Default”), then in addition to any other rights the Purchasers may have hereunder or under applicable law, on the first day of a Listing Default and on each monthly anniversary of each such Listing Default date (if the applicable Listing Default shall not have been cured by such date) until the applicable Listing Default is cured, the Company shall pay to each Purchaser an amount in cash, as partial liquidated damages and not as a penalty, equal to 2% of the aggregate Subscription Amount of the Securities then held by such Purchaser on the day of a Listing Default and on every thirtieth (30th) day (pro-rated for periods less than thirty days) thereafter until the date such Listing Default is cured. If the Company fails to pay any liquidated damages pursuant to this Section in a timely manner, the Company will pay interest thereon at a rate of 1.5% per month (pro-rated for partial months) to the Purchaser.

4.10 Reimbursement. If any Purchaser becomes involved in any capacity in any Proceeding by or against any Person who is a shareholder of the Company (except as a result of sales, pledges, margin sales and similar transactions by such Purchaser to or with any current shareholder), solely as a result of such Purchaser's acquisition of the Securities under this Agreement, the Company will reimburse such Purchaser for its reasonable legal and other expenses (including the cost of any investigation preparation and travel in connection therewith) incurred in connection therewith, as such expenses are incurred. The reimbursement obligations of the Company under this paragraph shall be in addition to any liability which the Company may otherwise have, shall extend upon the same terms and conditions to any Affiliates of the Purchasers who are actually named in such action, proceeding or investigation, and partners, directors, agents, employees and controlling persons (if any), as the case may be, of the Purchasers and any such Affiliate, and shall be binding upon and inure to the benefit of any successors, assigns, heirs and personal representatives of the Company, the Purchasers and any such Affiliate and any such Person. No consideration (including any modification of any Transaction Document) shall be offered or paid to any Person to amend or consent to a waiver or modification of any provision of any of the Transaction Documents unless the same consideration is also offered to all of the Purchasers that are parties to such Transaction Document. For clarification purposes, this provision constitutes a separate right granted to each Purchaser by the Company and negotiated separately by each Purchaser, and is intended for the Company to treat the Purchasers as a class and shall not in any way be construed as the Purchasers acting in concert or as a group with respect to the purchase, disposition or voting of Securities or otherwise.

4.12 Notice of Disqualification Events. The Company will notify the Purchasers in writing, prior to the Closing Date of (i) any Disqualification Event relating to any Issuer Covered Person and (ii) any event that would, with the passage of time, become a Disqualification Event relating to any Issuer Covered Person not otherwise disclosed herein.

4.13 Acknowledgment of Dilution. The Company acknowledges that the issuance of the Conversion Shares upon conversion of the Shares may result in dilution of the outstanding shares of Common Stock, which dilution may be substantial under certain market conditions. The Company further acknowledges that its obligations under the Transaction Documents, including, without limitation, its obligation to issue the Conversion Shares pursuant to the Transaction Documents, are unconditional and absolute, but subject to the terms and conditions of the Transaction Documents, and not subject to any right of set off, counterclaim, delay or reduction, regardless of the effect of any such dilution or any claim the Company may have against any Purchaser and regardless of the dilutive effect that such issuance may have on the ownership of the other shareholders of the Company.

For a period of six (6) months from the final Closing Date (the "Prohibition Period"), the Company shall not, without the consent of a holders of the majority of the then outstanding Shares and Conversion Shares ("Required Consent") issue any Common Stock or securities convertible into or exercisable for shares of Common Stock to any person or entity solely for capital raising purposes or incur any financing debt or enter into other incremental financing arrangements at a price per share that is less than the Per Share Purchase Price..

4.17 Form D; Blue Sky Filings. The Company agrees to timely file a Form D with respect to the sale of the Securities by the Company under this Agreement as required under Regulation D. The Company shall take such action as the Company shall reasonably determine is necessary in order to obtain an exemption for, or to qualify the Securities for, sale to the Purchasers at the Closing under applicable securities or "Blue Sky" laws of the states of the United States, and shall provide evidence of such actions promptly upon request of any Purchaser.

4.18 Shareholder Rights Plan. No claim will be made or enforced by the Company or, with the consent of the Company, any other Person, that any Purchaser is an “Acquiring Person” under any control share acquisition, business combination, poison pill (including any distribution under a rights agreement) or similar anti-takeover plan or arrangement in effect or hereafter adopted by the Company, or that any Purchaser could be deemed to trigger the provisions of any such plan or arrangement, by virtue of receiving Securities under the Transaction Documents or under any other agreement between the Company and the Purchasers.

4.19 Certain Transactions and Confidentiality. Each Purchaser, severally and not jointly with the other Purchasers, covenants that neither it, nor any Affiliate acting on its behalf or pursuant to any understanding with it will execute any purchases or sales, including Short Sales, of any of the Company’s securities during the period commencing with the execution of this Agreement and ending at such time that the transactions contemplated by this Agreement are first publicly disclosed or required to be disclosed, whichever occurs first, in the Form 8-K described in Section 4.4. Each Purchaser, severally and not jointly with the other Purchasers, covenants that, until such time as the transactions contemplated by this Agreement are publicly disclosed or required to be publicly disclosed, whichever occurs first, by the Company in such Form 8-K, such Purchaser will maintain the confidentiality of the existence and terms of this transaction and the information included in the Transaction Documents and the Disclosure Schedules. Notwithstanding the foregoing, and notwithstanding anything contained in this Agreement to the contrary, the Company expressly acknowledges and agrees that (i) no Purchaser makes any representation, warranty or covenant hereby that it will not engage in effecting transactions in any securities of the Company after the time that the transactions contemplated by this Agreement are required to be disclosed in the Form 8-K described in Section 4.4, (ii) no Purchaser shall be restricted or prohibited from effecting any transactions in any securities of the Company in accordance with applicable securities laws from and after the time that the transactions contemplated by this Agreement are first disclosed or required to be disclosed, whichever occurs first, in the Form 8-K described in Section 4.4, and (iii) no Purchaser shall have any duty of confidentiality to the Company or its Subsidiaries after the filing of such Form 8-K or after the date such Form 8-K is required to have been filed, whichever occurs first. Notwithstanding the foregoing, in the case of a Purchaser that is a multi-managed investment vehicle whereby separate portfolio managers manage separate portions of such Purchaser’s assets and the portfolio managers have no direct knowledge of the investment decisions made by the portfolio managers managing other portions of such Purchaser’s assets, the covenant set forth above shall only apply with respect to the portion of assets managed by the portfolio manager that made the investment decision to purchase the Securities covered by this Agreement.

4.20 Maintenance of Property. The Company shall keep all of its property, which is necessary or useful to the conduct of its business, in good working order and condition, ordinary wear and tear excepted.

4.21 Preservation of Corporate Existence. The Company shall preserve and maintain its corporate existence, rights, privileges and franchises in the jurisdiction of its then-incorporation, and qualify and remain qualified, as a foreign corporation in each jurisdiction in which such qualification is necessary in view of its business or operations and where the failure to qualify or remain qualified might reasonably have a Material Adverse Effect upon the financial condition, business or operations of the Company taken as a whole.

4.22 Restriction on Redemption and Cash Dividends. For as long as any Purchaser holds any Shares (the “Obligation Period”), the Company shall not, directly or indirectly, redeem, or declare or pay any cash dividend or distribution on, any securities of the Company without the written consent of holders of a majority of the then outstanding Shares.

4.23 Corporate Existence. During the Obligation Period, the Company shall not be party to any Fundamental Transaction (as defined in the Series D Certificate of Designation) unless the Company is in compliance with the applicable provisions governing Fundamental Transactions set forth in the Series D Certificate of Designation.

4.24 Conversion Procedures. The form of Notice of Conversion included in the Series D Certificate of Designation sets forth the totality of the procedures required of the Purchasers in order to convert the Shares. No legal opinion, other information or instructions shall be required of the Purchasers to convert their Shares (other than customary 144 representation letters if such Shares are to be sold in reliance upon the exemption provided by to Rule 144). The Company shall promptly honor conversions of the Shares and shall deliver the Conversion Shares in accordance with the terms, conditions and time periods set forth in the Series D Certificate of Designation.

4.25 Registration Rights. The Company shall use its reasonable best efforts to file a “resale” registration statement (the “Registration Statement”) with the Commission covering the Conversion Shares so that such Conversion Shares will be registered for resale under the Securities Act within five (5) days of the closing of the acquisition of U.S. Gold Corp (“U.S. Gold”) pursuant to that certain Agreement and Plan of Merger by and between the Company, Dataram Acquisition Sub, Inc., U.S. Gold and Copper King LLC, dated as of June 13, 2016, as amended. The Company will use its reasonable best efforts to have the Registration Statement declared effective by the Commission as soon as possible after the filing date.

Whenever the term “consent of the Purchasers” or a similar term is employed herein, it shall mean the consent of a Majority in Interest. No waiver of any default with respect to any provision, condition or requirement of this Agreement shall be deemed to be a continuing waiver in the future or a waiver of any subsequent default or a waiver of any other provision, condition or requirement hereof, nor shall any delay or omission of any party to exercise any right hereunder in any manner impair the exercise of any such right.

5.6 Headings. The headings herein are for convenience only, do not constitute a part of this Agreement and shall not be deemed to limit or affect any of the provisions hereof.

5.7 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties and their successors and permitted assigns. The Company may not assign this Agreement or any rights or obligations hereunder without the prior written consent of each Purchaser. Any Purchaser may assign any or all of its rights under this Agreement to any Person to whom such Purchaser assigns or transfers any Securities, provided that such transferee agrees in writing to be bound, with respect to the transferred Securities, by the provisions of the Transaction Documents that apply to the “Purchasers.”

5.8 No Third-Party Beneficiaries. This Agreement is intended for the benefit of the parties hereto and their respective successors and permitted assigns and is not for the benefit of, nor may any provision hereof be enforced by, any other Person, except as otherwise set forth herein.

5.9 Governing Law. All questions concerning the construction, validity, enforcement and interpretation of the Transaction Documents shall be governed by and construed and enforced in accordance with the internal laws of the State of New York, without regard to the principles of conflicts of law thereof. Each party agrees that all legal proceedings concerning the interpretations, enforcement and defense of the transactions contemplated by this Agreement and any other Transaction Documents (whether brought against a party hereto or its respective affiliates, directors, officers, shareholders, partners, members, employees or agents) shall be commenced exclusively in the state and federal courts sitting in the City of New York. Each party hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in the City of New York, Borough of Manhattan for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein (including with respect to the enforcement of any of the Transaction Documents), and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is improper or is an inconvenient venue for such proceeding. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by law. If either party shall commence an action or proceeding to enforce any provisions of the Transaction Documents, then in addition to the obligations of the Company under Section 3.1(g), the prevailing party in such action, suit or proceeding shall be reimbursed by the other party for its reasonable attorneys’ fees and other costs and expenses incurred with the investigation, preparation and prosecution of such action or proceeding.

5.10 Survival. The representations and warranties contained herein shall survive the Closing and the delivery of the Securities at the Closings for the applicable statute of limitations.

5.11 Execution. This Agreement may be executed in two or more counterparts, all of which when taken together shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to each other party, it being understood that the parties need not sign the same counterpart. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a “.pdf” format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or “.pdf” signature page were an original thereof.

5.12 Severability. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction to be invalid, illegal, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions set forth herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated, and the parties hereto shall use their commercially reasonable efforts to find and employ an alternative means to achieve the same or substantially the same result as that contemplated by such term, provision, covenant or restriction. It is hereby stipulated and declared to be the intention of the parties that they would have executed the remaining terms, provisions, covenants and restrictions without including any of such that may be hereafter declared invalid, illegal, void or unenforceable.

5.13 Rescission and Withdrawal Right. Notwithstanding anything to the contrary contained in (and without limiting any similar provisions of) any of the other Transaction Documents, whenever any Purchaser exercises a right, election, demand or option under a Transaction Document and the Company does not timely perform its related obligations within the periods therein provided, then such Purchaser may rescind or withdraw, in its sole discretion from time to time upon written notice to the Company, any relevant notice, demand or election in whole or in part without prejudice to its future actions and rights.

5.14 Replacement of Securities. If any certificate or instrument evidencing any of the Securities is mutilated, lost, stolen or destroyed, the Company shall issue or cause to be issued in exchange and substitution for and upon surrender and cancellation thereof (in the case of mutilation), or in lieu of and substitution therefor, a new certificate or instrument, but only upon receipt of evidence reasonably satisfactory to the Company of such loss, theft, destruction, or mutilation, and of the ownership of such Security. The applicant for a new certificate or instrument under such circumstances shall also pay any reasonable third-party costs (including customary indemnity and bonds) associated with the issuance of such replacement Securities.

5.15 Remedies. In addition to being entitled to exercise all rights provided herein or granted by law, including recovery of damages, each of the Purchasers and the Company will be entitled to specific performance under the Transaction Documents. The parties agree that monetary damages may not be adequate compensation for any loss incurred by reason of any breach of obligations contained in the Transaction Documents and hereby agree to waive and not to assert in any action for specific performance of any such obligation the defense that a remedy at law would be adequate.

5.16 Payment Set Aside. To the extent that the Company makes a payment or payments to any Purchaser pursuant to any Transaction Document or a Purchaser enforces or exercises its rights thereunder, and such payment or payments or the proceeds of such enforcement or exercise or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside, recovered from, disgorged by or are required to be refunded, repaid or otherwise restored to the Company, a trustee, receiver or any other Person under any law (including, without limitation, any bankruptcy law, state or federal law, common law or equitable cause of action), then to the extent of any such restoration the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such enforcement or setoff had not occurred.

5.17 Independent Nature of Purchasers' Obligations and Rights. The obligations of each Purchaser under any Transaction Document are several and not joint with the obligations of any other Purchaser, and no Purchaser shall be responsible in any way for the performance or non-performance of the obligations of any other Purchaser under any Transaction Document. Nothing contained herein or in any other Transaction Document, and no action taken by any Purchaser pursuant hereof or thereto, shall be deemed to constitute the Purchasers as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Purchasers are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by the Transaction Documents. Each Purchaser shall be entitled to independently protect and enforce its rights, including, without limitation, the rights arising out of this Agreement or out of the other Transaction Documents, and it shall not be necessary for any other Purchaser to be joined as an additional party in any proceeding for such purpose. Each Purchaser has been represented by its own separate legal counsel in its review and negotiation of the Transaction Documents. The Company has elected to provide all Purchasers with the same terms and Transaction Documents for the convenience of the Company and not because it was required or requested to do so by any of the Purchasers. It is expressly understood and agreed that each provision contained in this Agreement and in each other Transaction Document is between the Company and a Purchaser, solely, and not between the Company and the Purchasers collectively and not between and among the Purchasers.

5.18 Liquidated Damages. The Company's obligations to pay any partial liquidated damages or other amounts owing under the Transaction Documents is a continuing obligation of the Company and shall not terminate until all unpaid partial liquidated damages and other amounts due thereunder have been paid notwithstanding the fact that the instrument or security pursuant to which such partial liquidated damages or other amounts are due and payable shall have been canceled.

5.19 Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Business Day, then such action may be taken or such right may be exercised on the next succeeding Business Day.

5.20 Construction. The parties agree that each of them and/or their respective counsel have reviewed and had an opportunity to revise the Transaction Documents and, therefore, the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of the Transaction Documents or any amendments thereto. In addition, each and every reference to share prices and shares of Common Stock in any Transaction Document shall be subject to adjustment for reverse and forward stock splits, stock dividends, stock combinations and other similar transactions of the Common Stock that occur after the date of this Agreement.

5.21 WAIVER OF JURY TRIAL. IN ANY ACTION, SUIT, OR PROCEEDING IN ANY JURISDICTION BROUGHT BY ANY PARTY AGAINST ANY OTHER PARTY, THE PARTIES EACH KNOWINGLY AND INTENTIONALLY, TO THE GREATEST EXTENT PERMITTED BY APPLICABLE LAW, HEREBY ABSOLUTELY, UNCONDITIONALLY, IRREVOCABLY AND EXPRESSLY WAIVES FOREVER TRIAL BY JURY.

5.22 Equitable Adjustment. Trading volume amounts, price/volume amounts and similar figures in the Transaction Documents shall be equitably adjusted (but without duplication) to offset the effect of stock splits, similar events and as otherwise described in this Agreement, if such events shall occur between the date of this Agreement and Closing.

5.23 Legal Representation. Each party hereto acknowledges that it has been represented by independent legal counsel in the preparation of the Agreement. Each party recognizes and acknowledges that counsel to the Company has represented certain of the Purchasers from time to time and may, in the future, represent others in connection with various legal matters and each party waives any conflicts of interest and other allegations that it has not been represented by its own counsel.
