**NOTICE OF ANNUAL MEETING OF STOCKHOLDERS  
TO BE HELD SEPTEMBER 20, 2021**

To the Stockholders of U.S. Gold Corp.:

NOTICE IS HEREBY GIVEN that the 2021 Annual Meeting of Stockholders (the "Annual Meeting") of U.S. Gold Corp., a Nevada corporation (the "Company"), will be held at 9:00 a.m. Mountain Time on September 20, 2021, or such later date and time as such Annual Meeting date may be adjourned, in a virtual format only via live

website at [www.usgold.vote](http://www.usgold.vote). The Annual Meeting will be held for the following purposes:

1. To elect the five (5) nominees named in this proxy statement to serve on the Board of Directors (the “Board of Directors” or the “Board”) until the 2022 Annual Meeting of Stockholders or until their successors are duly elected and qualified (the “Election of Directors Proposal”).
2. To ratify the appointment of Marcum LLP as our independent registered public accountant for the fiscal year ending April 30, 2022 (the “Auditor Ratification Proposal”).

In addition, stockholders may be asked to consider and vote upon such other business as may properly come before the meeting or any adjournment or postponement thereof. Stockholders are referred to the proxy statement for more detailed information with respect to the matters to be considered at the Annual Meeting. **The Board of Directors recommends a vote “FOR” Proposals 1 and 2.**

In light of public health concerns regarding the coronavirus outbreak, this year’s Annual Meeting will be conducted in a virtual format only in order to assist in protecting the health and well-being of our stockholders and employees and to provide access to our stockholders regardless of geographic location. Stockholders will not be able to attend the Annual Meeting in person; however, stockholders of record will be able to participate, vote electronically and submit questions during the live website of the Annual Meeting by visiting [www.usgold.vote](http://www.usgold.vote) and entering the control number found on the voting form. If you encounter any difficulties accessing the virtual Annual Meeting, please call the technical support number available on the virtual meeting page on the morning of the Annual Meeting.

Our Board has set August 4, 2021, as the record date for the Annual Meeting and any adjournment(s) or postponement(s) thereof. Only stockholders of record as of the close of business on August 4, 2021, are entitled to notice of, and to vote at, the Annual Meeting. This Notice of Annual Meeting of Stockholders and related proxy materials are first being distributed or made available to stockholders beginning on or about August 9, 2021.

**Your vote is important.** Please read the proxy statement and the instructions on the proxy card and then, whether or not you plan to attend the Annual Meeting, and no matter how many shares you own, please submit your proxy promptly by telephone or via the Internet, or by completing, dating and returning your proxy card in the envelope provided. This will not prevent you from voting at the Annual Meeting. It will, however, help to assure a quorum and to avoid added proxy solicitation costs.

You may revoke your proxy at any time before the vote is taken by delivering to the office of the Corporate Secretary of U.S. Gold Corp. a written revocation or a proxy with a later date (including a proxy by telephone or via the Internet) or by voting your shares virtually at the Annual Meeting, in which case your prior proxy would be disregarded.

BY ORDER OF THE BOARD OF DIRECTORS

## GENERAL INFORMATION ABOUT THE ANNUAL MEETING

The Board of Directors (the “Board of Directors” or the “Board”) of U.S. Gold Corp. is soliciting the enclosed proxy for use at the 2021 Annual Meeting of Stockholders (referred to herein as the “Annual Meeting”) to be conducted in a virtual format only via live website at [www.usgold.vote](http://www.usgold.vote) on Monday, September 20, 2021, at 9:00 a.m. Mountain Time, or such later date or dates as such Annual Meeting date may be adjourned.

In light of public health concerns regarding the coronavirus (“COVID-19”) outbreak, this year’s Annual Meeting will be conducted in a virtual format only in order to assist in protecting the health and well-being of our stockholders and employees and to provide access to our stockholders regardless of geographic location. Stockholders will not be able to attend the Annual Meeting in person; however, stockholders of record will be able to participate, vote electronically and submit questions during the Annual Meeting.

This proxy statement is furnished to holders of our common stock as of the record date as part of the solicitation of proxies by our Board of Directors in connection with the proposals to be presented at the Annual Meeting. Our Board has set August 4, 2021, as the record date (the “Record Date”). Only holders of our common stock as of the close of business on August 4, 2021 are entitled to notice of, and to vote at, the Annual Meeting. As of the Record Date, there were 7,095,492 shares of our common stock issued and outstanding. Each share of common stock has one vote. In this proxy statement, we refer to U.S. Gold Corp. as “USG,” the “Company,” “we,” “us” or “our.”

The executive offices of the Company are located at, and the mailing address of the Company is 1910 East Idaho Street, Suite 102-Box 604, Elko, Nevada 89801.

### **IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE STOCKHOLDER MEETING TO BE HELD ON SEPTEMBER 20, 2021 AT 9:00 A.M. MOUNTAIN TIME**

As permitted by the “Notice and Access” rules of the U.S. Securities and Exchange Commission (the “SEC”), the Notice of Annual Stockholder Meeting, our proxy statement, a form of the proxy card and our annual report on Form 10-K for the fiscal year ended April 30, 2021 (the “Annual Report”) are available online at: [www.usgold.vote](http://www.usgold.vote).

This proxy statement and the accompanying form of proxy are dated August 6, 2021. On or about August 9, 2021, we commenced mailing to our stockholders a Notice of Internet Availability of Proxy Materials (the “Notice of Internet Availability”) that contains instructions on how stockholders may access and review all of the proxy materials and how to vote. Also, on or about August 9, 2021, we began mailing printed copies of the proxy materials to stockholders that previously requested printed copies. If you received a Notice of Internet Availability by mail, you will not receive a printed copy of the proxy materials in the mail unless you request a copy. If you received a Notice of Internet Availability by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials included in the Notice of Internet Availability.

### **Information About the Annual Meeting and Voting**

#### **Why am I receiving these proxy materials?**

The Board of Directors of the Company is asking for your proxy for use at the 2021 Annual Meeting to be conducted in a virtual format only via live webcast at [www.usgold.vote](http://www.usgold.vote) on September 20, 2021 at 9:00 a.m. Mountain Time, and at any adjournment or postponement of the Annual Meeting. As a stockholder, you are invited to attend the virtual Annual Meeting and are entitled to and requested to vote on the items of business described in this proxy statement.

1

---

This proxy statement is furnished to stockholders of U.S. Gold Corp., a Nevada corporation, in connection with the solicitation of proxies by the Board of Directors on behalf of the Company for use at the Annual Meeting.

#### **Why did I receive a Notice of Internet Availability of Proxy Materials instead of paper copies of the proxy materials?**

We are using the SEC’s Notice and Access model (“Notice and Access”), which allows us to deliver proxy materials over the Internet, as the primary means of furnishing proxy materials. We believe Notice and Access provides stockholders with a convenient method to access the proxy materials and vote, while allowing us to conserve natural resources and reduce the costs of printing and distributing the proxy materials. On or about August 9, 2021, we began mailing to stockholders a Notice of Internet Availability containing instructions on how to access our proxy materials on the Internet and how to vote online. **The Notice of Internet Availability is not a proxy card and cannot be used to vote your shares.** If you received a Notice of Internet Availability this year, you will not receive paper copies of the proxy materials unless you request the materials by following the instructions on the Notice of Internet Availability.

#### **What should I do if I receive more than one set of voting materials?**

You may receive more than one Notice of Internet Availability (or, if you requested a printed copy of the proxy materials, this proxy statement and the proxy card) or voting instruction card. For example, if you hold your shares in more than one brokerage account, you will receive a separate voting instruction card for each brokerage account in which you hold shares. Similarly, if you are a stockholder of record and hold shares in a brokerage account, you will receive a Notice of Internet Availability (or, if you requested a printed copy of the proxy materials, a proxy card) for shares held in your name and a voting instruction card for shares held in “street name.” Please follow the separate voting instructions that you received for your shares of common stock held in each of your different accounts to ensure that all of your shares are voted.

#### **Who is soliciting my vote?**

The Board of Directors is soliciting your vote on behalf of the Company. Our officers, directors, and employees may also solicit proxies personally or in writing, by telephone, e-mail, or otherwise. These officers and employees will not receive additional compensation but will be reimbursed for out-of-pocket expenses. Brokerage houses and other custodians, nominees, and fiduciaries, in connection with shares registered in their names, will be asked to forward solicitation material to the beneficial owners of such shares. We will reimburse brokerage houses and other custodians, nominees, and fiduciaries for their reasonable out-of-pocket expenses for forwarding solicitation materials and collecting voting instructions.

#### **When were the solicitation materials first given to stockholders?**

This proxy statement and the accompanying form of proxy are dated August 6, 2021. We expect to commence mailing to our stockholders a Notice of Internet Availability indicating that this proxy statement, a proxy card, and our 2021 Annual Report are available on or about August 9, 2021.

#### **How Does The Board Recommend That I Vote On The Proposals?**

The Board recommends that you vote as follows:

- “FOR” the Election of Directors Proposal; and
- “FOR” the Auditor Ratification Proposal.

If any other matter is presented, the proxy card provides that your shares will be voted by the proxy holder listed on the proxy card in accordance with his or her best judgment. At the time this proxy statement was published, we knew of no matters that needed to be acted on at the Annual Meeting, other than those discussed in this proxy statement.

2

---

#### **Who is entitled to vote at the meeting, what is the “record date”, and how many votes do they have?**

Holders of record of our common stock at the close of business on August 4, 2021 will be entitled to vote at the meeting. As of the Record Date, there were 7,095,492 shares of our common stock issued and outstanding. Each share of common stock is entitled to one vote.

#### **What is a quorum of stockholders?**

In order to carry on the business of the Annual Meeting, a quorum must be present. If 33 1/3% of the shares outstanding and entitled to vote on the record date are present, either in person (by attending via live website [www.usgold.vote](http://www.usgold.vote)) or by proxy, we will have a quorum at the meeting. Any shares represented by proxies that are marked for, against, withhold, or abstain from voting on a proposal will be counted as present in determining whether we have a quorum. If a broker, bank, custodian, nominee, or other record holder of our common stock indicates on a proxy card that it does not have discretionary authority to vote certain shares on a particular matter, and if it has not received instructions from the beneficial owners of such shares as to how to vote on such matters, the shares held by that record holder will not be voted on such matter (referred to as “broker non-votes”) but will be counted as present for purposes of determining whether we have a quorum. There were 7,095,492 shares of our common stock issued and outstanding on the Record Date, and each share of common stock has one vote. The presence of holders of 2,365,164 (33 1/3%) votes will represent a quorum.

#### **How many votes does it take to pass each matter?**

##### **Proposal 1: Election of Directors Proposal**

The nominees for director who receive the most votes (also known as a plurality) will be elected. You may vote either FOR all of the nominees, WITHHOLD your vote from all of the nominees or WITHHOLD your vote from any one or more of the nominees. Votes that are withheld will not be included in the vote tally for the election of directors. Brokerage firms do not have authority to vote customers’ unvoted shares held by the firms in street name for the election of directors. As a result, any shares not voted by a beneficial owner will be treated as a broker non-vote. Such broker non-votes will have no effect on the results of this vote.

##### **Proposal 2: Auditor Ratification Proposal**

The affirmative vote of a majority of the votes cast for or against this proposal is required to ratify the appointment of the Company’s independent public accountant. Abstentions will not be counted as either a vote cast for or against this proposal. Broker non-votes are not applicable to the Auditor Ratification Proposal because your broker has discretionary authority to vote your shares with respect to such proposal. We are not required to obtain the approval of our stockholders to appoint the Company’s independent accountant. However, if our stockholders do not ratify the appointment of Marcum LLP as the Company’s independent public accountant for the fiscal year ending April 30, 2022, the Audit Committee of the Board may reconsider its appointment.

By mail. Mark, date, sign and mail promptly the Proxy Card, ATTN: Shareholder Services.

By Fax. Mark, date, sign and fax the Proxy Card to 646-201-9006, ATTN: Shareholder Services.

At the Annual Meeting: If you are a shareholder of record, you can participate and vote your shares in the Annual Meeting by visiting [www.usgold.vote](http://www.usgold.vote) and then clicking “Vote Your Proxy”. You may then enter the control number included on your Proxy Card and view the proposals and cast your vote.

If you vote by Internet, fax or email, please do not mail your Proxy Card.

**Because of possible delays with the mails we recommend you use the Internet or telephone to vote.**

**If you are a beneficial owner of shares held in street name, you must email to [proxy@equitystock.com](mailto:proxy@equitystock.com) a legal proxy from your nominee authorizing you to vote your shares no later than 5:00 p.m. Eastern Time on September 17, 2021. Once submitted, you will receive a control number enabling you to vote your shares by any of the means set forth above**

#### **What is a proxy?**

A proxy is another person you authorize to vote on your behalf. We ask stockholders to instruct the proxy how to vote so that all common shares may be voted at the meeting even if the holders do not attend the meeting.

#### **How are abstentions and broker non-votes treated?**

Abstentions and broker non-votes count for purposes of determining the presence of a quorum. Broker non-votes will not be counted as votes cast either for or against Proposal 1 and will have no impact on the result of the vote on this proposal. Broker non-votes are not applicable to Proposal 2 because your broker has discretion to vote your shares on such proposals. Abstentions will not be counted as votes cast either for or against Proposals 1 and 2.

#### **How Do I Vote?**

Whether you plan to attend the Annual Meeting or not, we urge you to vote by proxy. All shares represented by valid proxies that we receive through this solicitation, and that are not revoked, will be voted in accordance with your instructions on the proxy card or as instructed via Internet or telephone. You may specify whether your shares should be voted for or “withheld” for each nominee for director, and whether your shares should be voted for, against or abstain with respect to Proposal 2. Except as set forth below, if you properly submit a proxy without giving specific voting instructions, your shares will be voted in accordance with the Board of Director’s recommendations as noted below. The Board has appointed George Bee and Eric Alexander, or either of them, to serve as the proxy for the Annual Meeting. Voting by proxy will not affect your right to attend the Annual Meeting. If your shares are registered directly in your name through our stock transfer agent, Equity Stock Transfer, or you have stock certificates, you may vote:

1. By Internet. The website address for Internet voting is [www.usgold.vote](http://www.usgold.vote). Please click “Vote Your Proxy” and enter your control number.
2. By Email. Mark, date, sign and email the Proxy Card to [proxy@equitystock.com](mailto:proxy@equitystock.com), ATTN: Shareholder Services.
3. By mail. Mark, date, sign and mail promptly the Proxy Card, ATTN: Shareholder Services.
4. By Fax. Mark, date, sign and fax the Proxy Card to 646-201-9006, ATTN: Shareholder Services.
5. At the Annual Meeting. If you are a shareholder of record, you can participate and vote your shares in the Annual Meeting by visiting [www.usgold.vote](http://www.usgold.vote) and then clicking “Vote Your Proxy”. You may then enter the control number included on your Proxy Card and view the proposals and cast your vote.

---

5

If you hold your shares in “street name,” your bank, broker or other nominee should provide to you a request for voting instructions along with the Company’s proxy solicitation materials. By completing the voting instruction card, you may direct your nominee how to vote your shares. If you partially complete the voting instruction but fail to complete one or more of the voting instructions, then your nominee may be unable to vote your shares with respect to the proposal as to which you provided no voting instructions. See “If my shares are held in “street name” by my broker, will my broker vote my shares for me?” Alternatively, if you want to vote your shares during the Annual Meeting, you must contact your nominee directly in order to obtain a proxy issued to you by your nominee holder. Note that a broker letter that identifies you as a stockholder is not the same as a nominee-issued proxy. If you fail to present a nominee-issued proxy to [proxy@equitystock.com](mailto:proxy@equitystock.com) by 5:00 p.m. Eastern Time on September 17, 2021, you will not be able to vote your nominee-held shares during the Annual Meeting.

**YOUR PROXY CARD WILL BE VALID ONLY IF YOU COMPLETE, SIGN, DATE, AND RETURN IT BEFORE THE MEETING DATE.**

#### **How will my proxy vote my shares?**

If your proxy card is properly completed and received, and if it is not revoked, before the meeting, your shares will be voted at the meeting according to the instructions indicated on your proxy card. If you are a record holder and sign and return your proxy card, but do not give any voting instructions, your shares will be voted as follows:

- “FOR” the Election of Directors Proposal; and
- “FOR” the Auditor Ratification Proposal.

To our knowledge, no other matters will be presented at the meeting. However, if any other matters of business are properly presented, the proxy holders named on the proxy card are authorized to vote the shares represented by proxies according to their judgment.

**If my shares are held in “street name” by my broker, will my broker vote my shares for me?**

If your shares are registered in your name or if you have stock certificates, they will not be voted if you do not return your proxy card by mail or vote at the Annual Meeting as described above under “How Do I Vote?” If your shares are held in street name and your broker cannot vote your shares on a particular matter because it has not received instructions from you and does not have discretionary voting authority on that matter, or because your broker chooses not to vote on a matter for which it does have discretionary voting authority, this is referred to as a “broker non-vote.” The New York Stock Exchange has rules that govern brokers who have record ownership of listed company stock (including stock such as ours that is listed on The Nasdaq Capital Market) held in brokerage accounts for their clients who beneficially own the shares. Under these rules, brokers who do not receive voting instructions from their clients have the discretion to vote uninstructed shares on certain matters (“routine matters”), but do not have the discretion to vote uninstructed shares as to certain other matters (“non-routine matters”).

The following matter is considered a routine matter. Therefore, if you do not vote on this proposal, your brokerage firm may choose to vote for you or leave your shares unvoted on this proposal:

- Proposal 2: Auditor Ratification Proposal

Applicable rules, however, do not permit brokerage firms to vote their clients’ unvoted shares on the following proposals:

- Proposal 1: Election of Directors Proposal.

Therefore, if you do not vote on Proposal 1, your shares will remain unvoted on that proposal. We urge you to provide voting instructions to your brokerage firm so that your vote will be cast on that proposal.

**How do I revoke my proxy and change my vote prior to the meeting?**

If you are a registered stockholder (meaning your shares are registered directly in your name with our transfer agent) you may change your vote at any time before voting takes place at the meeting. You may change your vote by:

1. Delivering voter instructions to U.S. Gold Corp., ATTN: Corporate Secretary, 1910 East Idaho Street, Suite 102-Box 604, Elko, Nevada 89801, with a written notice dated later than the proxy you want to revoke stating that the proxy is revoked, which notice must be received before 5:00 p.m. ET on September 19, 2021;
2. Completing and sending in voter instructions with a later date; or
3. Attending the Annual Meeting and voting virtually.

For shares you hold beneficially or in “street name,” you may change your vote by submitting new voting instructions to your bank, broker or other nominee or fiduciary in accordance with that entity’s procedures, or if you obtained a legal proxy form giving you the right to vote your shares, by virtually attending the Annual Meeting and voting during the Annual Meeting.

**Do I have any dissenters’ or appraisal rights with respect to any of the matters to be voted on at the Annual Meeting?**

No. None of our stockholders has any dissenters’ or appraisal rights with respect to the matters to be voted on at the Annual Meeting.

**What are the solicitation expenses and who pays the cost of this proxy solicitation?**

Our Board is asking for your proxy and we will pay all of the costs of asking for stockholder proxies. We will reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding solicitation material to the beneficial owners of common stock and collecting voting instructions. We may use officers and employees of the Company to ask for proxies, as described below.

**Is this proxy statement the only way that proxies are being solicited?**

No. In addition to the solicitation of proxies by use of the Notice of Internet Access, officers and employees of the Company may solicit the return of proxies, either by mail, telephone, telecopy, e-mail or through personal contact. These officers and employees will not receive additional compensation for their efforts but will be reimbursed for out-of-pocket expenses. Brokerage houses and other custodians, nominees and fiduciaries, in connection with shares of the common stock registered in their names, will be requested to forward solicitation material to the beneficial owners of shares of common stock.

**Are there any other matters to be acted upon at the Annual Meeting?**

Management does not intend to present any business at the Annual Meeting for a vote other than the matters set forth in the Notice and has no information that others will do so. If other matters requiring a vote of the stockholders properly come before the Annual Meeting, it is the intention of the persons named in the form of proxy to vote the shares represented by the proxies held by them in accordance with applicable law and their judgment on such matters.

**Where can I find voting results?**

We expect to publish the voting results in a current report on Form 8-K, which we expect to file with the SEC within four business days after the Annual Meeting.

**Who can help answer my questions?**

#### **Family Relationships**

There are no family relationships among our executive officers and directors.

#### **Involvement in Certain Legal Proceedings**

There have been no material legal proceedings that would require disclosure under the federal securities laws that are material to an evaluation of the ability or integrity of our directors or executive officers, or in which any director, officer, nominee or principal stockholder, or any affiliate thereof, is a party adverse to us or has a material interest adverse to us.

**THE BOARD RECOMMENDS A VOTE “FOR” THE ELECTION OF THE NOMINEES NAMED ABOVE AS DIRECTORS.**

### **CORPORATE GOVERNANCE**

#### **General**

We are committed to maintaining strong corporate governance practices that benefit the long-term interests of our stockholders by providing for effective oversight and management of our Company. Our governance policies, including our Corporate Governance Principles, Code of Ethics, and committee charters can be found on our website at [www.usgoldcorp.gold](http://www.usgoldcorp.gold) by following the link to “Investors” and then to “Governance” and then to “Governance Documents.”

The Nominating and Governance Committee regularly reviews our Corporate Governance Principles, Code of Ethics, and committee charters to ensure that they take into account our developments, changes in regulations and listing requirements, and the continuing evolution of best practices in the area of corporate governance.

13

---

The Board conducts an annual self-evaluation in order to assess whether the directors, the committees, and the Board are functioning effectively.

#### **Code of Ethics and Business Conduct and Whistleblower Policy**

Our Code of Ethics and Business Conduct (the “Code”), which was amended and restated as of November 2018, applies to our employees, directors, officers, contractors, consultants, and persons performing similar functions. This includes our President, Chief Executive Officer and Chairman, our Chief Financial Officer, and our controller/treasurer. We require that they avoid conflicts of interest, comply with applicable laws, protect our assets, and conduct business in an ethical and responsible manner

and in accordance with the Code. The Code prohibits employees from taking unfair advantage of our business partners, competitors, and employees through manipulation, concealment, misuse of confidential or privileged information, misrepresentation of material facts, or any other practice of unfair dealing or improper use of information. The Code requires employees to comply with all applicable laws, rules, and regulations wherever in the world we conduct business. This includes applicable laws on privacy and data protection, anti-corruption and anti-bribery, and trade sanctions. Our Code was initially amended and restated in 2014 (and subsequently amended and restated in 2015, 2017, and 2018) to better reflect our expanding global operations and diverse employee base, enhance its clarity and general readability, and to make other stylistic changes to more closely align the Code with our overall brand. If we make substantive amendments to the Code, or grant any waiver, including any implicit waiver, from a provision of the Code to our President, Chief Executive Officer and Chairman, Chief Financial Officer, controller/treasurer, and any of our other officers, financial professionals, and persons performing similar functions, we will disclose the nature of such amendment or waiver on our website ([www.usgoldcorp.gold](http://www.usgoldcorp.gold)) or in a report filed with the SEC on Form 8-K.

We also have adopted a Whistleblower Policy in September 2019, providing a platform to receive, retain and retreat concerns and complaints about accounting, internal accounting controls, auditing matters, fraud, any violation of law, or rules or regulations or our Code, free of any retaliation or harassment. The Whistleblower Policy can be found on our website at [www.usgoldcorp.gold](http://www.usgoldcorp.gold) by following the link to “Investors.” We intend to disclose any amendments to, or waivers from, our Whistleblower Policy at the same website address provided above.

### **Board Composition**

Our Articles of Incorporation, as amended (the “Charter”), and our Second Amended and Restated Bylaws (“Bylaws”) provide that our Board will consist of no more than fifteen (15) and no less than three (3) members, such number of directors to be determined from time to time pursuant to a resolution adopted by a majority of the total number of authorized directors. Vacancies or newly created directorships resulting from an increase in the authorized number of directors elected by all of the stockholders having the right to vote as a single class may be filled by a majority of the directors then in office, although less than a quorum, or by a sole remaining director.

### **Independence of Directors**

Our Board is currently comprised of five members, four of whom are independent directors. Assuming the Company’s Director Nominees are elected at the Annual Meeting, the Board will be comprised of five members, four of whom will be independent directors. If elected at the Annual Meeting, Mr. Bee will not be an independent director.

The Board, upon recommendation of the Nominating and Governance Committee, unanimously determined that each of Messrs. Zinke, Schafer and Waldkirch and Ms. Gilfillan is “independent,” as such term is defined in the Nasdaq Stock Market Rules (“Stock Market Rules”).

The definition of “independent director” included in the Stock Market Rules includes a series of objective tests, such as that the director is not an employee of the Company, has not engaged in various types of specified business dealings with the Company, and does not have an affiliation with an organization that has had specified business dealings with the Company. Consistent with the Company’s Corporate Governance Principles, the Board’s determination of independence is made in accordance with the Stock Market Rules, as the Board has not adopted supplemental independence standards. As required by the Stock Market Rules, the Board also has made a subjective determination with respect to each director that such director does not have a relationship that, in the opinion of the Board, would interfere with exercising independent judgment in carrying out such director’s responsibilities, even if the director otherwise satisfies the objective independence tests included in the definition of an “independent director” included in the Stock Market Rules.

---

14

In determining that each individual who served as a member of the Board is independent, the Board considered (i) relationships and transactions involving directors or their affiliates or immediate family members that would be required to be disclosed as related party transactions and (ii) other relationships and transactions involving directors or their affiliates or immediate family members that did not rise to the level of requiring such disclosure, of which there were none.

### **Board Leadership Structure**

The Board believes that the Company’s stockholders are best served if the Board retains the flexibility to adapt its leadership structure to applicable facts and circumstances, which necessarily change over time. Accordingly, the Company’s Corporate Governance Principles provide that the Board may combine or separate the roles of the Chief Executive Officer and Chairman, as it deems advisable and in the best interests of the Company and its stockholders.

The independent directors have concluded that the most effective leadership structure for us at the present time is for Mr. Bee to serve as both our Chief Executive Officer and Chairman. The Board made this determination in light of Mr. Bee’s significant mining industry experience, which allow him to bring to the Board, a broad and uniquely well-informed perspective on the Company’s business, as well as insight into the trends and opportunities that can affect the Company’s future. In adopting the structure, the Board also concluded that the strong independent membership of the Board and its standing committees ensures robust and effective communication between the directors and members of management, and that the overall leadership structure is effective in providing the Board with a well-informed and current view of our business that enhances its ability to address strategic considerations, as well as focus on the opportunities and risks that are of greatest importance to us and our stockholders. The Board believes this structure has served us well since March 2021.

Under our Corporate Governance Principles, the Board has the flexibility to modify or continue the leadership structure, as it deems appropriate. As part of its ongoing evaluation of the most effective leadership structure for us, in March 2021, the independent directors decided to combine the roles of Chief Executive Officer and Chairman. Mr. Bee has served as Chairman of the Board since March 2021 and as our Chief Executive Officer since November 2020.

### **Director Attendance at Board, Committee, and Other Meetings**

Directors are expected to attend Board meetings and meetings of the committees on which they serve, with the understanding that on occasion a director may be unable to attend a meeting. The Board does not have a policy on director attendance at our annual meeting. Except for Douglas Newby, each member of the Board that was a director at the time attended the annual meeting of stockholders in 2020.

The non-management directors (who also constitute all of the independent directors) meet in executive sessions in connection with regularly scheduled Board meetings and at such other times as the non-management directors deem appropriate.

During the fiscal year ended April 30, 2021, the Board held 7 regular and special meetings, the Audit Committee held 4 regular and special meetings, the Compensation Committee held 3 regular and special meetings, and the Nominating and Governance Committee acted once by unanimous written consent. Each director attended at least 80% of the total number of meetings of the Board and of the committees on which he or she served that were held during his or her term of office.

Each of the committees is solely comprised of and chaired by independent directors, each of whom the Board has affirmatively determined is independent pursuant to the Stock Market Rules. Each of the committees operates pursuant to its charter. The committee charters are reviewed annually by the Nominating and Governance Committee. If appropriate, and in consultation with the chairs of the other committees, the Nominating and Governance Committee proposes revisions to the charters. The responsibilities of each committee are described in more detail below. The charters for the three committees are available on our website at [www.usgoldcorp.gold](http://www.usgoldcorp.gold) by following the link to “Investors” and then to “Corporate Governance.”

The Audit Committee, among other things, is responsible for:

- overseeing our financial compliance system; and
- overseeing our major risk exposures regarding the Company’s accounting and financial reporting policies, the activities of our internal audit function, and information technology.

The Board has adopted a written charter setting forth the authority and responsibilities of the Audit Committee. The Board has affirmatively determined that each member of the Audit Committee meets the additional independence criteria applicable to audit committee members under SEC rules and the Stock Market Rules. The Board of Directors has adopted a written charter setting forth the authority and responsibilities of the Audit Committee. The Board has affirmatively determined that Tara Gilfillan and Michael Waldkirch meet the qualifications of an Audit Committee financial expert as defined by the rules of the SEC. Our Audit Committee currently consists of the following members: Tara Gilfillan, Michael Waldkirch and Robert W. Schafer. Ms. Gilfillan serves as Chairman of the Audit Committee. The Audit Committee is in compliance with Stock Market Rule 5605(2)(A).

### Consideration of Director Nominees

As specified in our Corporate Governance Principles, we seek directors with the highest standards of ethics and integrity, sound business judgment, and the willingness to make a strong commitment to us and our success. The Nominating and Governance Committee works with the Board on an annual basis to determine the appropriate and desirable mix of characteristics, skills, expertise, and experience for the full Board and each committee, taking into account both existing directors and all nominees for election as directors, as well as any diversity considerations and the membership criteria reflected in the Corporate Governance Principles. The Nominating and Governance Committee and the Board, which do not have a formal diversity policy, consider diversity in a broad sense when evaluating board composition and nominations; and they seek to include directors with a diversity of experience, professions, viewpoints, skills, and backgrounds that will enable them to make significant contributions to the Board and us, both as individuals and as part of a group of directors. The Board evaluates each individual in the context of the full Board, with the objective of recommending a group that can best contribute to the success of the business and represent stockholder interests through the exercise of sound judgment. In determining whether to recommend a director for re-election, the Nominating and Governance Committee also considers the director's attendance at meetings and participation in and contributions to the activities of the Board and its committees. We did not pay fees to any third party to assist in the process of identifying or evaluating director candidates for the fiscal year ended April 30, 2021.

The Nominating and Governance Committee will consider director candidates recommended by stockholders, and its process for considering such recommendations is no different than its process for screening and evaluating candidates suggested by directors, management, or third parties. Our Bylaws contain provisions that address the process by which a stockholder may nominate an individual to stand for election to the Board of Directors at the Annual Meeting. To recommend a nominee for election to the Board of Directors, a stockholder must submit his or her recommendation to the Corporate Secretary at the address appearing on the first page of this proxy statement. Such nomination must satisfy the notice, information and consent requirements set forth in our Bylaws and must be received by us prior to the date set forth under "Submission of Future Stockholder Proposals" included herein. A stockholder's recommendation must be accompanied by the information with respect to stockholder nominees that is specified in our Bylaws, including among other things, the name, age and address of the recommended person, the proposing stockholder's name and address, the ownership interests of the proposing stockholder and any material monetary or other relationships between the recommended person and the proposing stockholder and/or the beneficial owners, if any, on whose behalf the nomination is being made.

### Delinquent Section 16(a) Reports

Section 16(a) of the Securities Exchange Act of 1934 requires our directors, executive officers, and stockholders who own more than 10% of our stock to file forms with the SEC to report their ownership of our stock and any changes in ownership. We assist our directors and executive officers by identifying reportable transactions of which it is aware and preparing and filing their forms on their behalf. All persons required to file forms with the SEC must also send copies of the forms to us. We have reviewed all forms provided to us. Based on that review and on written information given to use by our executive officers and directors, we believe that all Section 16(a) filings during the past fiscal year were filed on a timely basis and that all directors, executive officers and 10% beneficial owners have fully complied with such requirements during the past fiscal year except for three late filings involving George Bee, our President, Chief Executive Officer and Chairman, one late filing involving Ryan K. Zinke, a member of our Board, one late filing involving Michael Waldkirch, a member of our Board and a late Form 3 initial statement of ownership filed by Tara Gilfillan, a member of our board of directors.

## DIRECTOR COMPENSATION

The Compensation Committee periodically evaluates the compensation of directors and recommends compensation changes to the Board as appropriate. Until August 2015, non-employee directors received only cash for their service on the Board. Commencing in September 2015, non-employee directors began receiving a combination of cash and equity compensation for service on the Board. Directors who are employees of the Company receive no additional cash compensation or equity compensation for serving on the Board. While the Company does not require directors and officers to own a specific minimum number of shares of the Company's common stock, the Company believes that each director and corporate officer should have a substantial personal investment in the Company.

These arrangements compensate them for their Board responsibilities while aligning their interests with the long-term interests of our stockholders. The Compensation Committee makes recommendations to the Board concerning director compensation under the Company's equity compensation plans and determines other director compensation arrangements, as appropriate.

Under the Company's Policy on Insider Information and Insider Trading, which applies to the Company's directors, it is improper for directors to engage in short-term or speculative transactions in the Company's securities.

The following table sets forth information concerning director compensation during the fiscal year ended April 30, 2021, to each of our directors, current and former. Other than as set forth in the table, we did not pay any compensation, reimburse any expense of, make any equity awards or non-equity awards to, or pay any other compensation to any of the other members of our Board in such period.

The Audit Committee has not adopted any specific procedures for conducting reviews of potential conflicts of interest and considers each transaction in light of the specific facts and circumstances presented. However, to the extent a potential related party transaction is presented to the Audit Committee, the Company expects that the Audit Committee would become fully informed regarding the potential transaction and the interests of the related party, and would have the opportunity to deliberate outside of the presence of the related party. The Company expects that the Audit Committee would only approve a related party transaction that was in the best interests of, and fair to, the Company, and further would seek to ensure that any completed related party transaction was on terms no less favorable to the Company than could be obtained in a transaction with an unaffiliated third party.

Described below are any transactions during the fiscal years ended April 30, 2021 and 2020 and any currently proposed transactions to which the Company was a party in which:

- The amounts involved exceeded, or will exceed, the lower of either \$120,000 or 1% of the average of our total assets at the year-end for the last two completed fiscal years; and
- any related person had or will have a direct or indirect material interest.

Apart from any transactions disclosed herein and the agreements with our executive officers as disclosed under "Executive Officers—Narrative Disclosure to Summary Compensation Table", no such transaction was entered into with any related person during the last two fiscal years.
